Age range: 11 – 18 NOR: 974

Teacher of Mathematics (MPS: Full Time)

Required from September 2026.

The Bewdley School is seeking an exceptional teacher to join the school in September, to teach Maths at KS3 and GCSE and possibly A Level. This opportunity would be particularly suitable for a new entrant to the profession. The successful candidate will work collaboratively alongside a dedicated and experienced team and the school would offer outstanding support and guidance to a new entrant to the profession.

The Bewdley School, serving the Georgian town of Bewdley and on the banks of the River Severn, is a fully inclusive and comprehensive school performing well above national averages at GCSE and A level. Students are hungry to learn, and the Maths department has a very well organised and managed curriculum. If you would like to work with skilled colleagues in a supportive environment, where you are free to communicate your passion for your subject, please visit us.

We seek a colleague who has:

- Exceptional energy and enthusiasm
- A real depth of understanding of, and love for, their subject
- A sophisticated grasp of how children learn
- The optimism to imagine a better future

In return we offer:

- Students who are genuinely curious
- A welcoming, friendly and supportive culture
- Opportunities for personal development
- A commitment to rational and balanced leadership

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will undertake an Enhanced Disclosure via the DBS, where appropriate.

Closing date for applications: Tuesday 21st April 2026 at 9.00am

Further information and an application form are available on the school website.
