

## Enmore Church of England Primary School 0.4-0.5 KS1/KS2 ClassTeacher

Enmore Primary School is a popular, 5 class, village school at the foot of the Quantock Hills. We are very lucky to have such beautiful surroundings to work in.

The school provides a happy, hard-working, well disciplined, orderly and pleasant learning environment for its pupils.

Our many new buildings have added to the quality of the children's education. Our aim is that all our children should be happy and successful during their time at the school.

Enmore is an outstanding school. The attention paid to developing children as responsible members of society has led to excellent attitudes to work, relationships and personal development on the part of the pupils. Staff, pupils, parents and Governors are all very proud of our school.
