SCHOOL INFORMATION PACK

For the Recruitment of a Headteacher

For Sefton Park Infant & Junior Schools

Letter from the Chair

Dear, you, on the anniversary of the founding of the Sefton Park Schools, we, the Governors, have chosen to celebrate the 'spirit of Sefton Park' by inviting the successful candidate, who, with our support, will become the 'spirit of Sefton Park' for the next 10 years. We are looking for someone who has the ability to lead the principals and vision to carry on the Sefton Park legacy, who will be able to inspire and motivate our children, who will be able to work with our dedicated staff and who will be able to demonstrate the ability to manage the finances.

As we have met the current Headteacher, we have seen the qualities we are looking for in our next appointee. We want to offer a little Sefton Park Infant & Junior School, where the children are nurtured and treated with respect, where they are encouraged to be themselves and to develop their educational and their social skills, where they are encouraged to be independent, to be curious, to be creative and to be kind to each other and to the community in which they live.

The Governors are looking for a capable, warm-hearted, humorous, and ambitious Headteacher who will be able to lead the school into the future, who will be able to inspire and motivate our children, who will be able to work with our dedicated staff and who will be able to manage the finances. We want someone who is able to lead and manage the school, who is able to work with the Governors, who is able to work with our dedicated staff and who is able to work with our children and their families.

We have plans for the future of children at Sefton Park and we want someone who is able to carry out the planning and who is able to carry out the vision of the Governors. We want someone who is able to look forward and who is able to carry on the work of our predecessors, who is able to carry on the work of our predecessors, who is able to carry on the work of our predecessors.

Sefton Park is a school where we are all learners and we want our children to be the best they can be. We want our children to be independent, to be curious, to be creative and to be kind to each other and to the community in which they live.

We want our children to be happy, we want our children to be healthy, we want our children to be safe and we want our children to be the best they can be
