Teacher of Mathematics and Second in Faculty

Carterton Community College

TMS/UPR and TLR 2.1

Start Date: 1st September 2026

Carterton Community College is entering an exciting new chapter under new leadership. With a renewed sense of purpose and ambition, the school is on a journey of improvement and growth, placing high-quality teaching, strong relationships and an enriching curriculum at the heart of everything we do.

As part of this journey, we are redesigning our curriculum to ensure that all students are able to engage in rich, meaningful learning experiences that inspire curiosity, deepen understanding and prepare them for future success. Mathematics is central to this vision.

We are seeking to appoint an outstanding Teacher of Mathematics and Second in Faculty to join our established and committed Mathematics team. This is an excellent opportunity for an ambitious practitioner who is passionate about Mathematics and ready to develop their leadership skills, supporting the strategic direction of the faculty alongside the Head of Mathematics.

The successful candidate will have the ability to inspire and transform young people's lives through a genuine love of Mathematics, both within and beyond the classroom. You will be enthusiastic about enriching learning through extra-curricular activities, clubs, competitions and wider opportunities, igniting student's passion to see the relevance, beauty and power of Mathematics in the real world.

Our ambition is to *make school unmissable*. This calls for passionate, driven staff who are deeply committed to the wellbeing and welfare of every student. While the role will be challenging, it presents an exciting opportunity for someone ready to take the next step on their leadership journey.

The Role

You will:

- Teach Mathematics across Key Stages 3, 4 and 5, delivering consistently high-quality teaching and learning.
- Support the Head of Mathematics Faculty in the strategic leadership and development of the department.
- Play a key role in raising standards of attainment and progress across the Mathematics curriculum.
- Contribute to the ongoing curriculum redesign, ensuring challenge, coherence and engagement for all learners.
- Inspire a love of learning in Mathematics through innovative teaching and enrichment opportunities.
- Engage positively in the wider life of the school, including extra-curricular provision.

The ideal candidate will:

- Have a thorough and secure knowledge of the Mathematics curriculum.
- Demonstrate excellent experience across Key Stages 3, 4 and 5.
- Show passion, determination and high expectations for all students.
- Have experience of planning and delivering a challenging and engaging curriculum.
- Be ready to consolidate or begin a leadership journey, supporting faculty development.
- Be an excellent team player with strong interpersonal skills.
- Have a genuine desire to make a positive and lasting impact on students' lives.

In return, we offer:

- A supportive and positive school under new leadership, with clear vision and high aspirations.
- A culture built on shared values and strong relationships.
- High-quality professional development and leadership opportunities.
- A well-resourced Mathematics department with high-quality Chromebooks.
- Friendly, welcoming students who are keen to learn.
- Committed, professional and collaborative colleagues.

Carterton Community College is a rural college with a real sense of community, bordering the Cotswolds and within easy commuting distance of Oxford, Cheltenham and Swindon.

Prospective candidates are warmly encouraged to visit the school.
