Headteacher: Mr M P Marande BA Hons MA

TEACHER OF SCIENCE

Start date: September 2025
Salary: Main BET Teachers Pay Scale (suitable for ECTs)
Full-time or Part-time

The Petersfield School (TPS) Science Department is seeking to employ an enthusiastic and imaginative teacher to join our dedicated team. We are committed to improving student outcomes and maintaining the high standards of our challenging science curriculum. The ideal candidate will have a strong understanding of how students learn and a passion for inspiring the next generation of scientists.

Our department prides itself on its academic success. We currently enter 40% of each year group for separate sciences and consistently achieve results well above national averages. These outcomes reflect the dedication and expertise of our team of hard-working science specialists, who embrace a collaborative, initiative approach to teaching and learning. We are looking for a team player who is eager to share ideas and contribute to departmental projects that enhance the science experience for all students. At KS4, teachers primarily teach their specialism, while at KS3, they deliver lessons across all sciences.

The successful candidate will have the opportunity to work closely with a supportive team of experienced teachers, reporting to a Head of Science, with support from a Deputy Head of Science, Lead Science Teacher and KS3 Coordinator, all overseen by a Head of Faculty. As part of the Bohunt Education Trust, you will also be part of a wider network of science educators, collaborating with colleagues across other schools to share best practices.

Main Purpose	To carry out the duties of a classroom teacher as outlined in the School Teachers' Pay & Conditions Documents. To assist the Headteacher and Senior Leadership Team (SLT) to deliver the school's policy in respect of legal, moral and educational obligations placed upon it by Education Acts.
Key Tasks	• To teach across the full age and ability range • To support the work of the Head of Department in their drive to maintain an outstanding Science Department • To contribute to the development of schemes of work and resources for the Science department • To ensure that students' work is marked regularly and that they receive constructive feedback • To act as a pastoral tutor and be responsible for the academic and pastoral wellbeing of a group of students • To monitor student progress to ensure that expected progress of all students is achieved, or exceeded

	• To be responsible for a positive learning environment including displays, student handbooks and exercise books or folders • To attend various school meetings as required within directed time • To provide feedback to parents about their child's progress • To participate in Professional Development, maintaining a personal CPD record • To complete all other reasonable tasks as directed by the Principal or Line Manager
Additional Tasks	The Petersfield School teachers are expected to: • Contribute to extra-curricular and wider school activities • Support the work of the Bohunt Education Trust within The Petersfield School • Ensure that our most vulnerable students are fully supported to ensure that they fulfil their potential

At TPS, we are committed to ensuring that students achieve exceptional outcomes, while also providing them with an enriching school experience. We encourage staff to contribute to co-curricular activities and share their passions with students. Whether it's supporting our various STEM clubs and activities, assisting with sporting events, or leading a Duke of Edinburgh (DofE) team (TPS is the largest DofE provider in Hampshire), there are plenty of opportunities to get involved beyond the classroom.

TPS is an exceptional school that has recently secured its second 'Outstanding' grading. Ofsted reports consistently highlight the excellent relationships between staff and students and commend the high standards of behaviour across the school. The Science Department plays a vital role in this success. We are deeply committed to professional growth, offering well-structured CPD opportunities for educators at all career stages, ensuring every teacher feels supported and empowered to thrive.

If you are looking for a school where great ideas are welcomed, and teachers are allowed to flourish, we would love to hear from you.

Please visit our website for more information www.petersfieldschool.com (go to the 'About', then 'Vacancies' section) for an application form.

Completed applications or queries should be sent to recruitment@petersfieldschool.com

Closing date for applications: **Monday 19 May 2025, Midday**
Interviews follow within the week.

Applicants are welcome to request a tour of the school prior to application, for further details please contact Matthew Walker MWalker@petersfieldschool.com

Potential candidates are advised to apply as early as possible as we reserve the right to interview at any time. Short-listed candidates will be subject to pre-employment checks, including enhanced DBS checks, online/social media checks and satisfactory references.

Bohunt Education Trust is committed to safeguarding and promoting welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment. We are committed to equality of opportunity for all staff and applications from individuals are encouraged regardless of age, disability, sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and marriage and civil partnerships.
