## **0.6FTE Teacher of Religious Education from September 2021** **NQT/MPR/UPR**

As the result of the promotion of one of our colleagues to the role of Assistant Principle in another Norfolk school, we are looking for a committed, proactive and hardworking 0.6FTE teacher to join our RE department on Mondays, Wednesdays and Fridays.

Students enjoy RE and achieve consistently very good outcomes in their GCSE examinations. Our KS3 cohort follow the new Norfolk Locally Agreed syllabus and the majority of our students in KS4 are entered for a full GCSE qualification. This post represents an excellent professional development opportunity for an enthusiastic and committed teacher of RE to develop their classroom practice by working as part of a strong and dedicated team of teachers, as well as to develop their subject skills and knowledge. We are looking for someone who loves their subject and can communicate and share that passion with their students, colleagues, and the wider community.

We believe wholeheartedly in helping teachers to improve their classroom practice and our CPD programme is incredibly strong. Every teacher gets to work with one of our highly experienced teacher coaches to help them to develop their practice and become the best teacher they can be. We are also committed to exploring evidence based practice and current research in education.

Aylsham High is one of the most consistently successful schools in Norfolk and our work is underpinned by the values of the co-operative movement. Our cohort is truly comprehensive and we are committed to being an inclusive, welcoming and supportive school community. The school is blessed with excellent staff, great facilities and a wonderful group of students. The support that we enjoy from parents and the wider community is second to none. We believe that if we are going to maintain and improve on the school's achievements, we have to continuously evaluate our approach to teaching and learning and this is a theme that runs throughout our school improvement planning.

If you would like to join a successful and well-resourced department in a genuinely warm and friendly school with a tremendous community attitude then we would love to hear from you.
