The Trust educates over 1000 pupils and employs over 350 members of staff.

### We Aim To

- Provide a balanced and broad curriculum that promotes the spiritual, moral, cultural, mental and physical development of pupils and prepares them for the opportunities, responsibilities and experiences of adult life.
- Give access to the National Curriculum; provide opportunities for external accreditation, and, for those pupils with specific learning difficulties, effective and personalised programmes.
- Ensure all pupils are supported to develop positive attitudes towards themselves and others. Promoting emotional well-being and self-esteem; helping our pupils to recognise their potential and work positively within their community.
- We will respect all pupils and encourage them to become active participants in their own learning, develop confidence, independence, self-esteem and express their needs and desires.
- Seek effective and positive working relationships with pupils' families, schools and other agencies.
- Enable effective outcomes for our pupils.
