

LEARNING SUPPORT MENTOR (1:1 SUPPORT)

START DATE: SEPTEMBER 2024

June 2024

Dear Applicant,

Thank you for expressing an interest in the post of Learning Support Mentor (1:1 Support) at The Gryphon School. Accompanying this letter is information about the School which we hope will provide you with everything you need to know to apply for the post. The School website gives further details about us.

This is a fixed-term post for 32 hours per week, term time plus inset days (39 weeks per year) commencing in September 2024.

The Gryphon is a wonderful place to work and has a special atmosphere and feel. It became a founder member of SAST a multi-academy trust established in June 2017. The Good Schools Guide 2023 concludes that 'A big school with a small school feel is exactly right. No child goes unnoticed and teachers seem to be genuinely motivated to see pupils progress to the best of their ability. An impressive capacity to cater for extremely different academic needs in a nurturing environment. No wonder it's over-subscribed'.

We are an outward looking school with exceptional community links as well as strong relationships with other good and outstanding schools across the South West and nationally.

We are a comprehensive school serving a diverse community. Our high quality support staff make a real difference to our students. Teaching is often outstanding, and consistently at least good across all subjects and key stages. Teachers are provided with the resources to make lessons stimulating and practical and have excellent subject knowledge. They make sure students are very clear about what is demanded of them and how to improve. The School's very positive entry in the Good School Guide describes pastoral care and discipline as 'excellent'. Students are reflective, behave with great courtesy, and are heavily involved in working with staff to improve the school and the welfare of others.

The Gryphon gains high results for its students at both GCSE and A Level. Our large Sixth Form of 380 students is exceptional. We have an outstanding record of success in university entrance, including places at Oxford, Cambridge and other Russell Group universities, as well as for training places and apprenticeships.

Our 2023 GCSE exam results were, once again, excellent. 26 students achieved nine or more 7s, 8s and 9s with many staying on to attend The Gryphon Sixth Form.

Additionally, our A level results were excellent with 61 students receiving straight A, A* and B results including five students heading off to Oxford and Cambridge, and three students going on to study medicine.

In May 2022 our inspection as a Church School (SIAMS) judged us to be Excellent. Our most recent Ofsted visit, in June 2023, was very positive and confirmed our status as a "good school". Our focus, which reflects our Church School status, is that we should be a "10:10" school; where students and staff experience life in all of its fullness. So for us education is more than just exam results – we place great value on the personal development of each student. We aim for them to leave school as well-rounded young people with a strong sense of what is socially, morally and culturally acceptable, and to feel that they have a contribution to make to the wider community. Digital learning is important at The Gryphon School including the use of mobile technology; we want our young people to use technology responsibly and to enhance their learning.

In summary, we are a true team with a great sense of pride in what we collectively achieve and we embrace the challenge for achievement to be even higher. Our special culture and ethos focuses on enabling students to be the best that they can, both personally and academically, supported by the tremendous work and care of all our staff. We continue to strive to be outstanding in all aspects of school life.

We are looking for someone with high expectations, a love of their subject, the ability to inspire and also laugh whilst enjoying the challenges of this role. You need to be a team player with the inner determination to develop continually, picking up the best ideas from around the world in education. In return, you will join a Department that is full of activity, rewarding and friendly. We have a great record for supporting and developing all of our staff through our own training and links with NCSL providers.

You are very welcome to visit us in advance of an application or to contact us to find out more.

Very best wishes,

J W Gower

There is real strength in coming together with a collective responsibility for all the children's development and progress between 0-19 years. SAST has large town primary schools with over 300 children, smaller village primary schools and nursery provision. SAST also has 5 secondary schools, some with a Sixth Form provision. There is a mix of formerly maintained and Church of England schools - both voluntary controlled and voluntary-aided in the Diocese of Salisbury. We believe in preserving Schools in their local community.

Our Schools:

A key principle of the SAST is that member schools maintain their own character, such as church and community status. All schools in the multi-school trust are equal partners and are committed to the principles of collaboration, sharing expertise and resources to enable all partner schools to deliver excellent education for all young people in their care.

At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further.

SAST works by providing opportunities to share and improve - to develop further our provision as well as supporting the quality of leadership and management. This includes sharing best practice, being creative in maintaining a broad and diverse curriculum, ensuring the care and support is in place for children and families and enabling further staff and teacher development. We also work together on meeting the challenges of funding and the opportunities for financial efficiency, determining for ourselves which services and providers we will use to provide outstanding provision for our children. There is real strength in coming together with a collective responsibility for all of the children's development and progress between 0-19 years.

Our Vision:

Delivering educational excellence through aspiration and collaboration.

Organisation - How we work:

All our schools are successful. Of course, we recognise that we need to continually improve and evolve. The priority is to enable every school to continue to provide an excellent education for all our students while protecting their role at the heart of the community, along with our unique qualities and strengths.

There is a balance as to the responsibilities delegated to schools and those that are the responsibility of SAST. The focus is to continually evaluate, improve and develop through strong, effective and accountable leadership at all levels. The aim is to establish clear, simple and effective accountability including slim and streamlined governance.

Partnership and collaboration is a core feature of all our schools – a genuine desire to be outward-facing, to use the best ideas from across the world. The schools have always worked closely together across Dorset and Somerset.
