SCHOOLS ACHIEVING SUCCESS TOGETHER

October 2024

Dear Applicant,

Thank you for expressing an interest in the post of 1:1 Teaching Assistant at St Mary's Primary School, Bradford Abbas.

This is a wonderful and rare opportunity to join a small and hardworking, passionate team of staff delivering high quality education and pastoral care on a daily basis to the village children of Bradford Abbas and beyond.

Our school is structured into four classes: R/1, 1/2, 3/4 and 5/6 with class sizes ranging from 19 to 32.

We have an experienced and ambitious staff team who want the best for our pupils. Behaviour is very good and we have high expectations that every child achieves their potential, socially, academically, emotionally and physically.

There is a very good support network for new staff within the school and staff receive regular training to ensure their skills and knowledge stay up to date and are effective.

Staff, parents and children have positive relationships; we believe that partnership working makes for happy and successful learners.

We are excited to be part of the SAST. There is real strength in coming together with a collective responsibility for all the children's development and progress between 0-19 years. We believe in preserving schools in their local community. This means that there will be considerable local expertise to support the school and staff with the chance to contribute to wider developments.

At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further.

We are looking for someone with high expectations, a love of learning, able to inspire and laugh and enjoy the challenges of this role. You need to be a team player; you will go the extra mile to support children. In return, you will join a School and Trust that is full of activity, opportunity, and optimism.

There is further information about the school on our website [St Mary's Primary School](https://www.stmarysprimaryschool.co.uk) and the trust at www.sast.org.uk

You are very welcome to visit us in advance of an application or please contact the school office for any further information. On behalf of the staff, children, and governors we look forward to meeting you.

Very best wishes,

Miss E Grunnill,

ABOUT ST MARY'S CE PRIMARY SCHOOL

Our school is situated in the centre of Bradford Abbas, a thriving village community around St Mary's Church, the Rose & Crown Pub, the Village Hall and the Sports & Social Club. With currently 103 pupils on the school roll, our children learn to value the experience of being part of the wonderful community of Bradford Abbas.

The oldest of our school buildings was opened as the village school on Easter Monday in 1856. What we call "the new building" was opened in July 1966. We had a new modular classroom built next to the main school in 2016 replacing the ancient 54 year old timber framed classroom. In 2007, members of the PTA built an outdoor classroom for the school and this is a very popular place when the weather is good. In Summer 2011, the new library was built off the main hall with a quiet reflection/storytelling area added to the external orchard area. Finally, in 2016, the spiritual garden was designed and built using a legacy given to the school from a former Headteacher of the area.

There is a strong relationship between the school and the Church. The school benefits by making use of the Church for religious events and the Vicar is actively involved in Assemblies. Our most recent inspection by Salisbury Diocese found us to be outstanding in every area!

St Mary's is part of two successful and effective educational partnerships: the small schools' cluster and the Sherborne Area Schools' Trust. The schools work together closely for the benefit of all our children in Sherborne and the surrounding areas.

At St Mary's, we offer outstanding teaching and learning, excellent behaviour and a warm, safe and friendly Christian ethos where every individual is valued. We emphasise the importance of positive relationships and reward.

Our Schools:

A key principle of the SAST is that member schools maintain their own character, such as church and community status. All schools in the multi-school trust are equal partners and are committed to the principles of collaboration, sharing expertise and resources to enable all partner schools to deliver excellent education for all young people in their care.

At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further.

SAST works by providing opportunities to share and improve - to develop further our provision as well as supporting the quality of leadership and management. This includes sharing best practice, being creative in maintaining a broad and diverse curriculum, ensuring the care and support is in place for children and families and enabling further staff and teacher development. We also work together on meeting the challenges of funding and the opportunities for financial efficiency, determining for ourselves which services and providers we will use to provide outstanding provision for our children. There is real strength in coming together with a collective responsibility for all of the children's development and progress between 0-19 years.

Organisation - How we work:

All our schools are successful. Of course, we recognise that we need to continually improve and evolve. The priority is to enable every school to continue to provide an excellent education for all our students while protecting their role at the heart of the community, along with our unique qualities and strengths.

There is a balance as to the responsibilities delegated to schools and those that are the responsibility of SAST. The focus is to continually evaluate, improve and develop through strong, effective and accountable leadership at all levels. The aim is to establish clear, simple and effective accountability including slim and streamlined governance.

Partnerships:

Partnership and collaboration is a core feature of all our schools – a genuine desire to be outward-facing, to use the best ideas from across the world. The schools have always worked closely together across Dorset and Somerset.
