

Blackpool Council

Dear Applicant,

Thank you for your interest in the full-time **teaching** position at Educational Diversity. We are delighted that you are considering joining our dedicated and passionate team.

At Educational Diversity, we believe that every student deserves a high-quality education tailored to their individual needs. Our vision is to create a nurturing and inclusive environment where all learners can thrive, regardless of their background or circumstances. We are committed to removing barriers to learning and ensuring that each young person has the opportunity to succeed academically, socially, and emotionally.

As a teacher at Educational Diversity, you will play a vital role in inspiring and supporting our students. You will have the opportunity to work with a diverse cohort of learners, adapting your teaching strategies to meet their needs and helping them to build confidence, resilience, and a love for learning. We value innovation, collaboration, and a strong commitment to student well-being.

When submitting your application, please ensure that you carefully address the personal specification for the role. We are keen to understand how your skills, experience, subject specialism/s, and approach align with the specific needs of our school and students. Generic applications that do not directly reference the role's requirements are less likely to be successful. Take this opportunity to demonstrate why you are the right fit for Educational Diversity and how you can contribute to our vision and values.

We are looking for an individual who is passionate about making a difference, skilled in engaging students with diverse needs, and dedicated to fostering a supportive learning environment. In return, we offer a welcoming and supportive team, professional development opportunities, and the chance to be part of a school that truly values inclusivity and student success.

If you believe you have the skills, experience, and enthusiasm to contribute to our school community, we warmly invite you to apply. We look forward to learning more about you and your passion for education.

Yours sincerely,

Vic O'Farrell
