3D / Product Design Teacher and / or Head of Design and Technology
Main scale plus TLR2 £5872 - £8611 (depending on experience)
Required from September 2026

The governors are seeking to appoint a highly motivated 3D/Product Design Teacher ideally as Head of Design and Technology with a genuine passion for the subject who can grow into and develop the Product Design curriculum. You will be working within a highly successful Design & Technology department with a strong tradition of success in GCSE examinations.

Design Technology is housed in its own purpose-built accommodation, comprising a suite of specialist rooms. The Food & Nutrition room within this area has recently undergone significant investment and refurbishment to expand and modernise the facility.

The department is supported by a team of highly successful and experienced teachers who are committed to providing high-quality learning experiences for our pupils.

The successful candidate will work alongside an experienced Food & Nutrition teacher and will teach the subject across Key Stages 3 and 4. Strong teamwork skills are essential.

We require a colleague who:

- Is an outstanding practitioner with the ability to help contribute further to the wider school community and become involved in extra-curricular events
- Has a passion for excellence and for the subject
- Has excellent organisational and time management skills

In return we offer:

- Pupils who are keen to learn and want to achieve the highest standards
- A highly skilled team to work with and well-resourced classroom
- A fantastic community of parents and children who deserve the best
- High quality support and professional development to ensure you succeed
- A school that is committed to trying to ensure a life/work balance
- Support for ECT as required

The successful candidate will be required to work across the full age and ability range.

The Chantry School is committed to safeguarding and promoting the welfare and safety of children and young people and expect all staff to share this commitment. The successful candidate will be subject to Enhanced DBS check and satisfactory references.

Further details can be obtained from the school website at www.chantryschool.com
Closing date: 9.00am Thursday January 8th 2026
Interviews – Week commencing 12th January 2026
