Ridgeway Primary School and Nursery

Class Teacher – Maternity cover

"Nurturing every child for lifelong success"

We are seeking a highly motivated, enthusiastic and inspiring teacher to join our staff from April 2022 or earlier.

Our children are independent thinkers and problem solvers, motivated by a creative curriculum where their ideas help shape the learning. Be part of our dynamic staff team who are passionate about children's learning and development. This is a maternity cover until April 2023.

We received a Good judgement in our latest Ofsted inspection in November 2018 and we are committed to school improvement through continuously evolving our practice. Our strong team ethic enables us to share best practice across the school and ensures excellent support for new staff.

We offer:

- Motivated, independent learners who are full of ideas and questions and enjoy being challenged so that they can achieve well across our creative curriculum and in life.
- A well-planned, broad, balanced and inspiring curriculum which develops the whole child.
- High morale and an atmosphere of trust and respect where quality relationships are at the heart of what we do.
- A supportive community where close home school partnership is a key feature.
- A stimulating school environment where everyone: is a learner; talks about pedagogy and research; and regularly reflects on their own practice and that of others.
- Excellent CPD through team membership, training and opportunities for action research.
- Quality teaching assistant support which positively impacts on our learners.
- Excellent systems to manage teachers' workload including: planning, preparation and assessment alongside year group partners; minimal paperwork; and a focus on working hard on the things that make a real difference to children

Whether you are newly qualified or looking for a new professional challenge, you are welcome to visit the school to find out more about our practice.
