

Kennet School

Excellence through Endeavour

Application Pack
Academic Intervention Lead and SAP Co-ordinator

WHAT WE BELIEVE

At Kennet School we employ forward-thinking, creative teachers who are unapologetically passionate about their subject. Our motto, 'Excellence through Endeavour', does not apply to our pupils alone.

We place learning at the centre of everything we do. Through our learning blog and innovative professional development programmes, we seek to drive education reform through the heart of our school, making decisions which are right for our pupils whilst being an exciting place to work.

We do not believe in restrictive marking policies, for example, those which demand a consistent marking technique. Rather, we value the full range of assessment methods and equip staff with the ability to plan the appropriate strategies alongside learning.

Our curriculum is rich in knowledge because we believe knowing things provides a foundation for being able to do things. Department and training opportunities create space for the ongoing development of the curriculum as we understand the value that specialist teachers bring to this process.

We value the time of our staff and all teachers start with a 15% PPA allocation. Additional admin support is provided to ensure all teachers are able to focus on their first priority: pupils' learning.

A rigid behaviour procedure enables teachers to teach disruption free. Our procedures reduce the demands on staff whilst ensuring that poor behaviour is dealt with swiftly and positive behaviours do not go unnoticed.

If you are passionate about seeing young people achieve more than they thought was possible and recruiting the next generation to your field of expertise, then we welcome your application to join our team.

WHY WORK FOR US?

...because we support and value our teachers!

Professional development at Kennet School is centred on investing in individuals. We spend well above the national averages on professional development and have teachers on NPQs, Leadership apprenticeship and MA programmes. Our aim is to help every member of staff be the best they can be.

Evidence-based inset programme has a real impact on teaching and learning across the school. Teachers work collaboratively across departments to focus on a question of their choice whilst engaging with current research in education. This programme is about trusting teachers to shape their own learning and giving them the time to explore issues relevant to their expertise and subject.

An unwavering focus on learning is at the heart of everything we do. We remove as many barriers as we can, administrative or otherwise, **to keep learning at the top of everybody's agenda.**

Lesson observation and feedback designed to be helpful and supportive, but also encourage development and improvement, at least twice a year. We also run a coaching programme which supports teachers as well as contributing to wider conversations about what excellent teaching and learning means to us.

Career Opportunities arise frequently in large schools and we actively seek to help our teachers develop their careers and move into positions of responsibility.

Our new staff and NQT+ programmes are bespoke for all new staff and particularly for NQTs, which includes supportive observations, training and other opportunities across the school. We have recently introduced a programme to support staff throughout the first three years of their career: from NQT to preparing for a post of responsibility.

Staff Perks include a cycle to work scheme with a tax free allowance, 15% PPA time, learning visits to other schools, a sophisticated leisure centre on site (with discounted memberships) and an active social committee. We have a number of other benefits including free flu jabs, free porridge daily, Office 365 and various free product offers through gemsatwork. We also run free yoga and fitness classes on site. In addition to this, we offer staff membership of the **Teachers' Pension scheme and the Local Government pension scheme.** Childcare vouchers, through the Government scheme, can also be offered.
