The Alec Reed Academy is an Ofsted 'Good' school and an exciting place to work. In July 2018 it received praise from Ofsted who described it as *'at the heart of its community, an inclusive school with leadership providing excellent role models and maintaining the good quality of education since the last inspection in 2015'*.

We seek to appoint an Academic Mentor to tutor small groups of students to ensure the continuous improvement in the quality of teaching and learning along with the occasional support of teaching larger groups. You should be able to enthuse, engage, motivate and challenge students to raise achievement at all levels up to KS5. The vacancy provides an excellent opportunity to work in a high quality and well-resourced environment and to join a team of experienced, successful and highly motivated staff.

You should hold general knowledge and understanding of the Curriculum at Secondary level with experience of teaching and/or tutoring small groups or individual Secondary Phase students. We would also accept applications from experienced Teaching Assistant's looking for their next step.

This is an important role to commence as soon as possible on a fixed-term basis until July 2022 in the first instance with the potential to extend.

As an Investor in People, the Academy offers excellent career and professional development. The Academy has free on-site parking, free use of the gym, subsidised meals and family friendly policies including dependents entitlement.
