Message from the Headteacher

Thank you for expressing an interest in this post at Ashby School. Ashby is a school with a proud history and a strong position in the local community; where students are delighted to learn, and staff are excited to work. It is also a school embracing innovation as we transition through age-range change. We welcomed our first Year 7 students in September 2022 who start our progression to an all through school whilst we continue to welcome Year 10 students transitioning from our local High Schools until August 2024. We are thrilled about the opportunities that will be created by this exciting change and know that all members of our school community will benefit from it.

Part of the LiFE Multi-academy Trust, our School and Sixth form pride themselves on putting students at their heart. We want all our students to be happy and successful and are committed to ensuring that all students fulfil their academic potential. However, at Ashby, we realise that academic success is only a part of our role as educators. We offer our students a range of opportunities to enable them to embrace our core values; to 'Show Respect'; 'Accept Responsibility' and 'Build Resilience' to prepare them for their successful futures. We were delighted to see our approach to this work and the results of our recent improvement and innovation reflected so positively in our OfSTED inspection in January 2024 where we were judged to be a good school with a good sixth form provision.

Ashby is also a school built on the power of its staff. We have a great team of professionals, with exceptional subject knowledge, who enthuse students about the subjects they love. Ashby School also takes huge pride in growing the professionals of the future; working closely with a range of local ITT providers, as well as utilising professional development opportunities both within and beyond the MAT to ensure that investing in our staff is a key feature in our improvement strategy. This is evidenced by so many of our staff staying at Ashby year after year with several growing from their NQT year into Senior Leadership positions and giving back to their school community through the work they do.

Such investment in staff is also indicative of our willingness to work with those we employ. We know that through a career, things change and new challenges arise. We are proud of the work that we do with staff to ensure that we can find ways to adapt to need and, as such, this post is offered alongside a willingness to discuss flexible working approaches.

We look forward to your application and showing you that 'Anything is Possible' in such an innovative and exciting setting!

Dr Jude Mellor

Our Ethos

'Empowered to Learn'

We want every student to have the support they need to succeed, while recognising that success looks different for every student. We also appreciate that students need to learn to be empowered; it is this ethos that underpins our commitment to develop the whole child both within and beyond the classroom.

'Anything is Possible'

Society is evolving rapidly which makes the future possibilities endlessly exciting for our students. We want them to embrace these opportunities, develop the skills they need to navigate the challenges ahead and embody our ethos that 'Anything is Possible'.

Our staff go the extra mile every day. Alongside our academic successes, we believe in creating a school community that reflects the kind of society in which we want to live.

In addition, our values focus around these aims:

We seek to embed these in all we do as embodied by our innovative and unique Empowering to Learn curriculum at the heart of our Key Stage 3 provision.

Our Student Experience

Age range change presented Ashby with an amazing opportunity to grow a Key Stage 3 curriculum with future citizens at its heart. Our curriculum is therefore driven by subject strength, engagement, and skills development, as well as enjoyment for both staff and students alike!

Following on from this, our Key Stage 4 curriculum incorporates a broad and balanced offer that is flexible enough to meet the needs of our individual students and best supports both achievement and progression to further education be that within our Sixth Form or beyond.

Our Pastoral Support

Each of our year groups has a Year Team Leader who is part of our support staff. They are supported by Assistant Key Stage Leaders and administrative staff as well as staff focussed on supporting our Looked After Children and those in receipt of Pupil Premium. We also have ;

Our dedicated Inclusion support includes:

- The LINC Learning and Inclusion Centre where our dedicated team of Teaching and Learning Support Assistants work with students with Special Educational Needs in both classroom settings and intervention groups.
- The Bridge focussing on supporting student well-being.
- The Gateway, an on-site Alternative Provision supporting students who find mainstream learning more challenging through facilitating a range of hybrid learning models.

Our Curriculum Support

We support our students' learning through a range of staff positions including support within faculties, administrative support for the smooth running of our school, our data team to support tracking and intervention of student progress and our reprographics and library team who support our students to open their minds through reading. We also have an active and engaged team of technicians working in our practical subjects to both support and facilitate learning in a student facing way.

Our Premises, Catering and Cleaning Team

We strongly believe that where we create the right environment for learning, our students have the best possible chance of success and we do this through investment in our premises, catering and cleaning teams. We have also recently added some housekeeper positions to our staffing in order to create ownership of our learning spaces so staff in all positions can tangibly contribute to our students' progress.
