Animal Care Assistant

**Every other weekend, some school holidays and some bank holidays
(2 hours each day)**

Grade B - £12.76 per hour

The Roseland Multi-Academy Trust consists of three secondary schools, two primary schools and a Teaching School Hub. The Trust's mission is "to provide outstanding education for our communities, where everyone succeeds" and we put our staff at the heart of everything we do to create a team spirit in our highlight successful schools.

The Roseland Community Farm is a unique and fantastic resource which plays a key part in the daily life of our school.

An Animal Care Assistant is required to work on our small school farm. Our animals need to be cared for 365 days a year and the post-holder needs to be reliable, trustworthy and conscientious. During term time, Monday to Friday, the care of our animals is covered by our Animal Care Teaching Practitioner and an Animal Care Technician.

During weekends, school and bank holidays you will be required to share the responsibility for the care of our animals with our current Animal Care Technician. This role will be for every other weekend and some school holidays, including some bank holidays. The total number of hours you will be required each year is approximately 190 hours (2 hours each day worked) and payment for bank holidays will be double time. The hours are arranged on a rota which is agreed in advance.

Tasks will include duties such as feeding, cleaning out animal pens and cages and caring for animals and produce. This role will also involve working outdoors in a variety of weather conditions so a flexible approach is necessary with regard to duties. Your holidays will be covered by school staff.

Potential candidates are encouraged to contact The Roseland Academy with any questions. To arrange a visit, or for further details about this post including job description or application form, please contact Miss Emily Pye via epye@theroseland.co.uk.

Safeguarding Statement:

The Roseland Multi Academy Trust is committed to safeguarding and promoting the welfare of children, and expects all staff to share this commitment. Everyone who comes into contact with children and their families and carers has a role to play in safeguarding children. In order to fulfil this responsibility effectively, all professionals should make sure their approach is child-centred. This means that they should consider, at all times, what is in the best interests of the child.

Our Headteachers and Trustees act reasonably in making decisions about the suitability of the prospective employee based on checks and evidence, including Disclosure and Barring Service (DBS) checks, barred list checks, online searches and prohibition checks, together with references and interview information. The level of DBS certificate required, and whether a check for any prohibition, direction, sanction, or restriction is required, will depend on the role that is being offered and duties involved. As the majority of staff will be engaging in regulated activity, an enhanced DBS certificate which includes barred list information, will be required.
