

TEACHING ASSISTANT LEVEL 3

PROGRAMME OVERVIEW

This course will develop, grow and advance your teaching and learning by supporting the development of knowledge and skills and support you to improve your practice in the classroom. We will support you to deepen your understanding and practice in the use of classroom technology, curriculum planning, assessment for learning, support strategies, safeguarding, Prevent and online safety, and equality,

diversity and inclusion (EDI).

In addition to the mentoring and training received during the programme, there will be regular visits from a Train Together workplace coach and regular input sessions to support your personal and professional development.

The coach will support you to embed the knowledge gained during the training sessions and develop the skills and behaviours necessary to ensure you reach your potential.

QUALIFICATION

This programme is built around the nationally recognised qualification for teaching support staff and is recognised across the education sector. Throughout your Level 3 Teaching Assistant standard. You will also be offered CPD that will truly support you to provide an even greater level of support to the children and young people in your school. With Train Together, a holistic approach of teaching, learning and assessment is implemented and in-depth delivery models ensure that you enhance your knowledge and skills, and build a strong portfolio of evidence to demonstrate how you have not merely met the criteria but excelled in your role as an experienced teaching assistant.

Duration

Typically, this apprenticeship will take 18 months to complete.
