CHILDREN ARE VERY KNOWLEDGEABLE ABOUT WHAT THEY LEARN AND EVEN HOW THEY LEARN. THIS IS SEEN IN THEIR WORK, THE LESSONS AND IN THEIR ARTICULATIONS OF LEARNING. IT IS ALSO SEEN IN THEIR VERY POSITIVE LEARNING ATTITUDES.

**Mrs Michele Nott
Headteacher**

I am delighted that you are taking the time to consider applying for a position at our very special school.

Nether Edge School is an over-subscribed 2-form entry multi-cultural primary and nursery school that really is at the heart of its community. Our school is very effective and always extremely focused on continuous improvement.

We want every child at Nether Edge to flourish: to be safe, happy and healthy, to achieve across all subjects, to play a positive part in their school and wider community and to be excited and engaged in their learning. We call this the SHAPE of our school.

Through a wide range of learning opportunities, we want children to leave our school engaged and confident learners with a variety of skills that

ensure they have options for successful futures. Our curriculum is firmly rooted in our local community. Our curriculum intent is clear and its design is based on research evidence and our trust curriculum principles.

Nether Edge Primary is a warm and welcoming place, where children and adults feel happy and safe. Relationships are at the heart of what we do. As a result, children are polite

and show respect to each other and towards adults in school.

Children's behaviour is excellent. For example, children are polite because they know that 'Manners Matter.' They know this because it is deliberately taught and reinforced and children understand the importance of it. From day one, all interactions are nurtured so that children have respect for themselves, others and the environment.

The wider personal development curriculum is a strength at our school. Firm foundations for pupils' personal development and achievement begin in nursery. The power of storytelling is central to our curriculum and personal development offer throughout school.

We are determined and committed to the continuous improvement of all the staff team. The Nether Edge approach to professional development is purposeful and ambitious, embedded in a very special culture that permeates our school.

We look forward to welcoming you.

Mr Chris French
Chief Executive Officer

Realising Potential. Transforming Lives.

At Mercia Learning Trust, we believe that if education is about anything, it is about social mobility and social justice. We are a 2-18+ cross-phase Trust based in south and southwest Sheffield, serving a range of diverse communities. Our mission is simple: to ensure every child, irrespective of background, starting point or need, attends an exceptional school.

Our seven schools (four primary and three secondary) are very effective, continuously improving, and over-subscribed. Several are sector leading at a city, regional and national level, and there is much expert practice.

We are proud that our schools are inclusive, warm, welcoming places where all pupils feel happy, safe and are able to flourish. For us, flourishing means being part of a vibrant school community, where exceptional behaviour, kindness and respect are the norm, and where pupils want to work hard and succeed.

The Trust is especially focused on our most vulnerable children.

We operate within a model we call 'Aligned Autonomy'. Each school retains its authentic identity, in its own context and community, and we celebrate difference. The common theme is that we all embrace an improvement journey through which we become exceptional. This means leaders and staff share similar challenges, and often work together to find common and scalable solutions.

We employ a diverse and exceptional staff across the full range of teaching, non-teaching, and leadership roles. We are acutely aware that these are our greatest asset. We cannot prosper as schools or a Trust, and fulfil our mission for children, unless we can recruit, develop, promote, and retain the very best people. We also understand the importance of attracting new entrants into teaching, are a substantial provider of Initial Teacher Training and provide fantastic support for Early Career Teachers.

We expect a great deal from staff and understand that working within schools is rewarding and fast moving, but also demanding. We promote ethical leadership to ensure strong support and professional development, coupled with a commitment to well-being and maintaining a healthy work-life balance.

MLT is a great Trust with a clear vision, robust schools, effective central functions, and is led by talented staff and leaders. We have a strong identity, a positive culture, and an effective model of operation. Our scale and location enable us to function as a close-knit network and family of schools and professionals. While we are pleased with our current position, the Trustees are ambitious for further development and improvement.

Working for the Trust also offers the opportunity to reside in the vibrant city of Sheffield, renowned for its sports, leisure, and cultural activities. Sheffield boasts more parks, open spaces, and trees than any other city in the UK. Additionally, the picturesque Peak District National Park borders the west of the city.

We welcome applications from those who subscribe to our mission and values, and in turn we commit to being a Trust where staff can prosper, flourish, and build their career.

Children LOVE these sessions and our enrichment offer changes regularly to suit the needs of our young people."
