

Art and Technology Technician

37 hours per week

Permanent Contract

Term Time (38 weeks) + 1 additional week Monday to Friday

NJC Scale 3-4 Point range £25,614 to £26,016 (pro-rata £22,659 to £23,014)

An excellent opportunity has arisen for a Technician to join the Art and Technology Department at Kepier. We are looking to employ an enthusiastic, outgoing and adaptable individual who has the ability to succeed in the above role.

Your role will support the Art and Technology department. Duties will include, but are not limited to, safety and maintenance checks on all the machines in the workshop, preparation of material and resources for lessons as required (some of which would require using CAD/CAM software, including using the laser cutter, 3D printer and Kiln), ordering materials, setting out equipment and assistance in the daily management of equipment, tools and their general repairs.

Kepier is committed to safeguarding and promoting the welfare of children and young people. An online search will be conducted for shortlisted candidates in line with KCSIE guidance. The successful applicant will be subject to enhanced DBS and barred list checks, along with other pre-employment vetting.

Application form, job description and person specification are available online at www.kepier.com. Application forms only, please do not attach additional letters or statements, should be returned to recruitment@kepier.com no later than 12 pm noon on Wednesday 7th October 2026. It is hoped that interviews will take place the following week.

We fully appreciate the time and effort required in completing an application and, whatever the outcome of this particular process, we are grateful for your interest in working at Kepier and wish you every success with your future career. Applicants who have not been contacted within 2 weeks of the closing date should assume they have been unsuccessful.
