Welcome to Dallam

Steven Henneberry
Headteacher

"Staff, including those in the early stages of their careers, feel well supported by leaders."
Ofsted, 2023.

We're a vibrant and friendly comprehensive school where our children can continue studying into Sixth Form or study away from home, staying in our State Boarding House.

Dallam School offers day and boarding students a place to achieve academically, enjoy a wide range of creative and outdoor opportunities, and develop into a responsible and caring individual.

That inclusive ethos carries across to our team. We recruit from all walks of life and provide a friendly and supportive environment where the wellbeing of our staff is prioritised.

We aim to be the place where staff can develop their careers and achieve their ambitions, through high quality professional learning. It's a positive work environment where we grow our own talent and build career ladders.

Most importantly, we support staff to see clearly the contribution they make to our school community and the children who thrive here.

About Dallam School

Dallam has a long and successful history with a heritage and traditions stretching back to 1613. The school is grounded in traditional values but we're also forward-thinking and innovative and today, it is a popular mixed comprehensive with students often studying with us from Year 7 to Year 13. Students from our South Cumbria catchment join those travelling in daily from North Lancashire. While our international boarders bring diversity and richness.

We formed the South Westmorland Multi Academy Trust in 2016 and remain a single academy, maintaining close links with local secondary schools and Kendal College.

We have a supportive and inclusive culture in and around school where community is at the heart of all that we do. This includes the working relationship between teachers and students, the trusting relationships with form tutors and the pastoral team, and the honest relationships our staff develop with parents and carers.

Expert staff, specialising in their subjects up to A-level, teach throughout the school. We offer extra-curricular opportunities from music and drama to a full sporting programme that makes use of our excellent indoor and outdoor facilities.

All of this makes Dallam an excellent place to work.

Our values

Learning for all, learning for life

We're a supportive, caring community working hard to meet all student needs. Everyone's wellbeing and welfare is a top priority. We offer a wide range of enrichment activities beyond the curriculum.

Our vision:

At Dallam School, we believe that education empowers students with the knowledge, skills and values they need to build a better future for themselves, their families and their community. At our school, every student develops the confidence and courage to be themselves and has access to opportunities that unlock future success. The inclusive and innovative ethos of Dallam School creates an inspiring environment in which every student can shine in their own way.

Our values:

What we offer

Dallam School lives and breathes its People Vision

A learning organisation in which our people...

- receive care and support in a welcoming, collaborative community;
- feel a sense of agency and control;
- are committed to their work and our school and are recognised for this;
- engage in evidence-based and research led practice;
- experience a level of challenge in their work which is both stretching and rewarding, and;
- have access to high quality and bespoke professional development and career progression.

Ours is a positive work environment where regular recognition of achievements helps to create a sense of purpose and satisfaction in our people, leading to increased engagement, motivation and improved outcomes for our children.

It is important to us that everyone is able to play a part in shaping the direction of Dallam School and that all staff are supported at every stage along this journey.

Professional development

We aim to be the place where staff can develop their careers and achieve their ambitions, through high quality professional learning. We strive to create a working environment that impacts positively on staff development; a culture of mutual trust, respect, openness and commitment to student achievement.

You can expect us to:

- Ensure access to high quality and bespoke professional development and the opportunity to progress your career at Dallam School
- Provide opportunities for staff to take on leadership roles, and, participate in project-based, collaborative thinking and learning
- Enable teachers to collaborate to refine their teaching practices and work together to solve problems in school. This includes working with partner schools to improve individual practices and school wide policies and protocols
- Secure a continuous appraisal process with meaningful feedback which enables staff development. Regular professional development conversations allow staff to excel in their roles, provide feedback on what support and progression they want, stay current with best practices, and continuously improve their craft

Working in a
great location

Working in a great location

Our setting

Dallam School is set in the beautiful English countryside in the north of England, with busy village life in Milnthorpe on our doorstep. Milnthorpe is home with lots of shops, cafés, takeaways, and friendly local people. It's a good contrast to the quieter and older village of Heversham where you'll find our Boarding house.

Well connected

Dallam is brilliantly located to connect out to the rest of the country. By road you are soon on the M6 motorway, with the Scottish and Yorkshire borders close by. Trains from Oxenholme Lake District, Carnforth and Arnside get students to UK cities like London, Edinburgh and Glasgow in under 3 hours. The nearest international airports are Manchester and Liverpool, followed by Glasgow. There are ferry links at Heysham for the Isle Of Man too.

The Lake District

Over 18 million people visit the Lake District each year; it is a pretty special place. Some of the mountains that make up this UNESCO World Heritage site can be seen from the boarding house. Just 20 minutes by car, it's a place that's as important to humanity as the likes of the Taj Mahal and the Grand Canyon. Our team take lots of opportunities to explore this extraordinary landscape and all that it offers - from active adventure to artistic inspiration.
