Ms Anna Feltham: Headteacher

Welcome to Clapton Girls' Academy!

Dear Candidate,

Thank you for considering joining us as a Teacher of Art- maternity cover. We're delighted you're interested in becoming part of the CGA community.

CGA is a vibrant, ambitious school where every student is encouraged to aim high and every member of staff is supported to thrive. We're proud to share some of our recent achievements:

- Outstanding in all areas – Ofsted, May 2024
- Silver Secondary School of the Year award (Pearson) 2025
- Autism Inclusion Award (National Autism Society) July 2025

Art is a highly valued subject at CGA with strong GCSE and A Level uptake. Our students achieve excellent outcomes at both GCSE and A Level, and we strongly believe in supporting the potential of every student. We also believe that the study of Art helps our young people develop their transferable skills, creative talents and self-expression.

Our Art and Design faculty is a welcoming, collaborative and supportive team, bringing together colleagues from Art and Design and Technology. We work closely together, sharing ideas, resources and expertise to ensure the best possible outcomes for our students. You will be joining an enthusiastic, happy and supportive team that aims to instil curiosity and a love of learning in all the students we teach.

Your Wellbeing Matters

We know that great learning for students starts with happy, healthy staff. That's why we prioritise work-life balance and staff wellbeing. Here are just a few ways we support this:

- Flexible working options to help you balance your professional and personal life;
- A two-week October half-term to give you time to recharge;
- Regular opportunities for staff feedback – we listen and act on what matters to you;
- A comprehensive wellbeing programme.

As a member of our team, you'll benefit from excellent CPD, access to excellent professional development, and the chance to grow in a school that values collaboration, and creativity. We're proud to be an anti-racist school and are committed to building a staff team that reflects Hackney's rich diversity. If you're passionate about shaping the next generation of female leaders, we'd love to hear from you.

You can apply via our website: [Teaching Vacancies — Clapton Girls' Academy]

We look forward to welcoming you.

Kind regards,

Anna Feltham
