Dear Applicant

There has never been a more exciting time to join our Trust and be part of the Durrington High School team. I am delighted to attach the details and application form for the position of Teacher of Art and thank you for your interest in wishing to join our vibrant and successful community. Undoubtedly our Art department is one of the best in the country; with 100% achieved regularly for Art, Graphics and Textiles. Photography added to our curriculum last year is proving successful and popular.

We have a superb record of sustained improvement, exceeding the majority of national averages across all subjects in 2020. It is our vision supported by our ethos that all students receive the best possible education and opportunities. I believe staff are our greatest asset and as a staff team, we are whole-heartedly committed to student progress and well-being; we 'go beyond our best'.

What can Durrington Multi Academy Trust offer you?

- Opportunities to develop in role and promotion for staff with the zest and desire to progress in their career.
- The opportunity to work with amazing young people and colleagues who are passionate about what they do.
- A happy school; relationships are very strong between staff and students.
- Strong 'can do' team ethos in departments and across the school.
- Higher non-contact ratio than most schools MPR staff teach 42 out of 50 lessons across a two week time-table, NQT's teach 38.
- Health, well-being and work-life balance are extremely important to us. All staff are part of a health insurance scheme, having access to a range of support from external agencies and a free flu vaccination. We are always reviewing and seeking to add additional benefits for staff.
- A fabulous modern and light working environment on a spacious site with on-site parking and rail and bus links close by.

Why work at Durrington?

At Durrington High School we expect all of our students to participate in a high quality learning experience, every lesson. In order to allow teachers to focus their time, efforts and energy on this, we have put the following in place:

- We have a rich programme of CPD activities happening across the school that will allow you to engage at a level that suits you.
- We are keen to develop staff as leaders and there are a variety of programmes and opportunities to support this.
- We take a pragmatic approach to feedback / marking focussing on what is most useful and manageable.
- Written student reports are not lengthy sections of prose; they are grades.
- No graded lesson observations.
- Our NQT Induction Programme and Appraisal programme is based on professional growth and support.
- There will be opportunities as a result of being part of DMAT for staff to work with other schools.
- The South Downs School Centred Initial Teacher Training (SCITT) is another great asset to our Trust. Recently graded Outstanding by OFSTED, the SCITT has brought another dimension to our work.
