ONE DEGREE
ACADEMY

Dear applicant,

Thank you for taking an interest in One Degree Academy. It's an exciting time to join our school as we strive to offer unique opportunities and world-class aspirations.

One Degree Academy is an innovative school. We opened in September 2016 and were graded as "Outstanding" in all areas by Ofsted in December 2024. A founding principle is the idea that tiny changes can have profound effects and that a committed focus on seemingly minor details leads to continuous and sustained improvement. In short, we know that any giant leap to success is preceded by lots of small steps. That is why we place a high value on training and development. One Degree Academy is a great place to develop your career and become part of an inspiring team.

We aim for our academic achievements to be amongst the best in the country and for our students to become successful employees, citizens and family members. We are proud to have created an environment where our students are happy, inspired and eager to attend every day.

We also aim for our students and staff to strive constantly for excellence. In our small community, adults ensure that each child is known and cared for. We firmly believe in scholarship and aim for every child, no matter their background, to be given the ambition and the practical tools to succeed academically and personally, giving them the basis from which any career or academic goal is achievable.

We work tirelessly to ensure that every parent is engaged in their child's learning, that businesses and charities provide real-life experiences for our students, and that through our partnerships with top universities and world-class employers, our students are constantly offered opportunities to explore the range of future paths that lie before them.

Our aspirations for One Degree Academy are simple and ambitious: through our persistent focus on the actions necessary for great teaching and learning, every One Degree Academy student will develop the knowledge, character attributes and cultural capital to succeed at university, enjoy a fruitful career and lead a great life.

- Do you believe all students have the potential to succeed given great teaching and the right school culture?

One Degree Academy has been given a rare opportunity to raise standards of education in North London. Our school opened in September 2016. We moved to our brand-new building and state of the art facilities in August 2022 – come and help us grow!

We are seeking to appoint an outstanding Art Teacher to help develop our new school. We are looking for someone with a positive and professional attitude, who will thrive serving the needs of our school community. This is an exciting and rare opportunity to help grow One Degree Academy and to be part of something profound and special.

We know that success and habits of excellence are achieved through perseverance and incremental improvement - 'one degree' at a time. This idea is at the heart of our school. Whether you are experienced working in schools or someone seeking to enter this profession, you will play a key part in the academy's development. As with our students, we want to grow and develop our team, 'step- by-step': all staff receive professional development in line with their role, with potential opportunities to progress as the school grows.

Every child will leave One Degree ready for a life of choice and opportunity. To achieve this, we are focused on three things:

- Outstanding teaching and learning of a knowledge-based curriculum
- Developing character attributes and habits in a caring and disciplined environment
- Building cultural capital and raising aspirations through partnerships with world-leading businesses and universities

We are particularly interested in a candidate's commitment to continual and incremental improvement - and in an unfaltering belief in the potential of every child - than in extensive experience. Whether you are an experienced teacher or are recently qualified, you will play a key part in the school's development.

As with our students, we want to grow and develop our teachers, 'step by step': all teachers receive weekly instructional coaching and extended development time.

Our curriculum is based on cutting-edge insights from cognitive science and educational research and we look at the best practice from across the globe to influence our thinking. All staff at One Degree will visit excellent schools regularly and will have the opportunity to take part in high-quality CPD tailored to their needs.

In this role, you will have the opportunity:

- To join an engaged team and organisation utterly committed to developing its staff through incremental improvement, step-by-step
- To play a key role developing our school, with the potential to progress as we grow
- To be part of something profound and special

Successful candidates will:

- Have an unfaltering belief in the ability of all children to achieve through great teaching and a culture of high expectations;
- Welcome positive feedback and be committed to the idea of continuous improvement and self-development; and
- Have the skills and dedication to have a positive impact on the lives of our students and on the school community

If you share our passion for raising the standards of education then we would love to hear from you.

Specific duties:

- With direction from curriculum leaders in the school, assist in the creation and development of challenging and innovative schemes of work that are inspiring for learners and teachers alike.
- To create and maintain a stimulating learning environment indoors and outdoors.
- Use regular, measurable and significant assessments to monitor progress and set targets.
- Respond accordingly to the results of such monitoring.
- Ensure that all students achieve at chronological age level or, if well below level, make significant and continuing progress towards achieving at level.
- Maintain regular and productive communication with parents to report on progress, sanctions and rewards, and all other communications.
- To develop an exciting and motivating extra-curricular and enrichment offer including university links and trips

Pastoral Care

- To help promote and safeguard the welfare of all students.
- To promote self-discipline, high standards of behaviour and positive attitudes on the part of all students and to implement policies and procedures to foster them.

Specific duties continued:

Communication and Community Links

- To fully support the life and work of the school.
- To develop and maintain positive and effective professional relationships with colleagues, parents and the local community.

We consider ourselves incredibly fortunate to be opening a school in London, one of the most diverse cities in the world. Our aim is that our workforce will be representative of all sections of society and each employee will feel respected and able to give their best.

Fairness in how we recruit and select our employees plays a significant part in creating an equal opportunities environment. Our aim is that every internal and external applicant who applies for a position within the School is considered against criteria, which relates only to the requirements of the job. To that end, we are committed to providing equality and fairness for all.

Appointment is conditional upon receipt of references from appropriate referees, which, in the view of the Academy, are satisfactory.

Safer Recruitment

ODA is committed to safeguarding and promoting the welfare and safety of our children and young people in our schools. We expect all staff to share this commitment in line with “Keeping Children Safe in Education” (2020). The Academy will not unfairly discriminate against any applicant for employment on the basis of conviction or other details revealed. The Academy makes appointment decisions on the basis of merit and ability. If an applicant has a criminal record, this will not automatically debar him/her from employment within the Academy. Instead, each case will be decided on its merits in accordance with the objective assessment criteria.

ODA requires all employees to undertake an Enhanced DBS check because of the nature of our work. Applicants are required, before the appointment, to disclose all previous convictions, cautions, reprimands or warnings (except those which are “protected” as defined in the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2013). A failure to disclose a previous conviction, caution, reprimand or warning may lead to an application being rejected or, if the failure is discovered after employment has started, may lead to termination of employment.
