

Enriching lives; transforming futures - starting with you.

FAIRFAX
MULTI-ACADEMY TRUST

JOB TITLE
CANDIDATE PACK

Welcome from the CEO

Dear Applicant

FMAT was established in 2014 by a group of dedicated individuals who were committed to “enriching the lives and transforming the futures” of our students. Since I joined the Trust in February 2020, there has been a strong emphasis on the growth and development of the Central Education and Business Teams to support efficiencies and improve outcomes through strategic collaborative work, all of which is of great benefit to our students, staff, and the wider community.

FMAT serves over 4000 students in the West Midlands, ranging from 4-18 years of age: with approximately 50% from a disadvantaged background, 18% on the SEND register and 15% EAL. Our vision is that every child within the Trust, regardless of their background, will attend an Academy that offers high-quality education. This means:

- » Every child is recognised as an individual and has access to first-class pastoral care because we want them to be happy.

- » Every child benefits from a wide range of enriching opportunities because we place great emphasis on their personal development.
- » Every child benefits from dedicated leaders, teachers and staff who are relentless in their ambition to improve the quality of teaching in our academies because we know excellent teaching is key to transforming the futures of our students.

This role poses an exciting opportunity for the right candidate to fulfil their vocation, whilst making a real impact, raising standards and consequently “enriching the lives, and transforming the futures” of our young people. They deserve nothing less.

For any potential candidates that wish to have an informal discussion, please contact Michelle Dolphin, PA to the CEO, by email at m.dolphin@fmat.co.uk

OUR MISSION

Our Trust was formed in 2014 and has grown to include four academies, which provide education to over 4000 students within the Birmingham and Solihull regions. The Trust is firmly rooted in its mission to 'enrich lives and transform futures' and our moral purpose ensures that we aim to achieve this within a diverse range of communities, serving children from ages 4-18 years.

We achieve our mission by ensuring our students access a broad and wide-ranging curriculum whilst being supported in a structured, kind and caring environment. Our students have access to extensive extra-curricular opportunities because we place great emphasis on their personal development.

OUR APPROACH

FMAT's philosophy is that each Principal leads and make decisions within their Academy, whilst operating within a framework that adheres to the Trust's Mission, Vision and Values.'

Centrally, there is an established business function which includes Finance, HR, Estates, Communications and Marketing, Data and Governance. Within the central Education Team is the School Improvement Team (SIT), which includes Leads in the following areas: Pastoral, Maths, English, SEND and Professional Learning. Following the Trust's Model of School Improvement and using the concept of CSI (Challenge, Support and Intervention), they support our Academies to bring about improvements.

I have enjoyed working collaboratively with FMAT colleagues in Trust Network Groups (TNGs) and I have benefited from a range of CPD opportunities that have prepared me for middle leadership. For example I am currently studying for an NPQLT through Ambition Institute.
