The Academy:

Noel-Baker Academy

Noel-Baker Academy is a good school, that pupils are proud to attend, everything that we do is centred around a dedicated team of people who are working together to achieve our mission of delivering an unashamedly highly ambitious academic and knowledge rich education to our students.

Our work at NBA is underpinned by our passionate belief that outstanding schooling is the right of every child, and a determination that such a vision is achievable. We believe in and aspire to provide an inclusive education for all. That is, high expectations of and for all pupils, an insistence on excellent behaviour, equal access to an academically rigorous curriculum taught by highly skilled subject specialists and a sharp focus on high value enrichment opportunities that will enable all students to excel. We will never accept that family background, socio-economic circumstances or prior attainment will inevitably limit young people’s potential and so the profile of our intake will always be a reason for our provision, and never an excuse for our outcomes.

Our students are entitled to the very best breadth and depth of provision and we are unapologetically ambitious for every student, no matter what their background, prior attainment or needs.

This vision is underpinned by a wider set of core principles.

Lead (to show the way; to be first or foremost):

- We are compassionate, considerate and kind.
- We welcome and value all members of our community and expect all members of our community to work with us to play an active part in our children's education.
- We encourage each other, and we celebrate our successes.

Empower (to give power to; to enable):

"I am the master of my fate, I am the captain of my soul"

William Ernest Henley (1849-1902)

- We teach our students to take responsibility for themselves.
- We insist on excellent behaviour and learning habits.
- We know that factual knowledge is a prerequisite for deep understanding: that the more you know, the more you are able to learn and understand.
- We have an unrelenting focus on hard work, commitment and perseverance.

Achieve (to accomplish; to get or attain by effort):

- We believe that all children are entitled to learn "the best that has been thought and said," and that our students are the inheritors of the greatest ideas, written texts and discoveries of the past.
- Our purpose is to provide a rich education that will allow our students to achieve excellent qualifications and become thoughtful, educated and well-rounded young adults.

Drive (to cause and guide progress; to impel forward):

- We know that success takes hard work.
- We know that effort, practice and revision develop expertise and intelligence

Our Academy is a warm and friendly place to work. We value our staff and believe that we are starting out on a journey that will further transform our school and the lives of our pupils for the better.

If you want to be part of a team of people who are working together to achieve a shared vision, where you are free to teach "the best that has been thought and said," where classroom practice is underpinned by research informed pedagogical approaches and where you will be part of building a unashamedly academic and disciplined culture then we want to hear from you.
