Assistant Curriculum Lead with Subject Responsibility for Science, PSHE and Outdoor Learning (including Allotments and Eco Schools) TLR 2.1

Apply by: 9am on Tuesday 30th April 2024
Job start: 01/09/24
Contract type: MPS/UPS with TLR 2.1 (TLR Value £3309)
Contract term: Full Time, Permanent

About the school

Barlows Primary is a community school with respect and diversity at its heart. We are an inclusive school where nurturing relationships develop alongside high expectations for behaviour and achievement. Our ethos promotes development of academic and emotional intelligence in all our pupils, enabling the breaking down of barriers they may face. Through opening the door to lifelong learning beyond the classroom, we strive to empower each child to achieve to the best of their ability. Displaying the opportunities available later in life supports children to succeed now and, in the future, this is evidenced by our last Ofsted inspection (September 2019) which stated *'The school supports pupils' personal development extremely well. Pupils are taught how to keep themselves safe and healthy. They learn the importance of resilience, and this helps them to become confident learners. Pupils also learn the importance of tolerance and respect.'*

About the role

The children, staff and board of governors are seeking to appoint an exceptional individual who will embrace the challenge, put children at the heart of a clear vision for the future, and will build upon the strong record of progress the school has achieved working in partnership with the senior Leadership Team and Board of Governors. This post, which is to commence from 1st September 2024, is a fantastic opportunity for a self-motivated candidate who is willing to contribute to and continue the positive and nurturing culture of our school. You must be passionate about the wellbeing of our whole community, championing inclusion and kindness in everything you do. Our school believes this is how children can succeed to the best of their abilities.
