Chief Executive
Leigh Academies Trust

Welcome

Leigh Academies Trust (LAT) is one of the largest and most successful school groups in England. Starting in 2008 in Dartford, the Trust is now responsible for 33 academies of all types, educating over 24,000 pupils, employing almost 4,000 talented staff and with access to an annual income of over £200m. Our Ofsted track record is impressive. Currently, 16 of our academies are considered to be “Outstanding” which is 53% of those which have been inspected whilst part of the Trust.

LAT has remained local with all of its academies located in the South East (Kent, Medway, Bexley and Greenwich), within a one hour drive across the South Thames Corridor. This helps us to share resources and expertise much more easily and offer abundant training and progression opportunities to staff. We invest heavily in our workforce and enjoy strong retention across all job roles. The Trust has embedded various advantages which mean that LAT is an excellent place to develop a career in education. This includes being a highly inclusive employer which celebrates the diversity of its workforce.

Our scale and experience means we have been able to develop several well-chosen approaches to running schools which we know work well.

These include:

- A small school approach to education where larger academies are organised into colleges. This ensures high quality pastoral care for pupils.
- A world class digital strategy where all staff and pupils have their own device making teaching, learning and operations efficient and highly impactful.
- Disruption free learning and a “warm strict” approach to behaviour management so that teachers can teach and pupils can learn.
- An all-through International Baccalaureate
- Curriculum equivalent in quality to some of the best fee-paying schools and grammar schools in the UK and further afield.

In addition, The Leigh Institute - which is part of LAT - is responsible for Kent and Medway Training, one of the region’s biggest initial teacher training organisations, a large teaching school hub called Thames Gateway and an accredited apprenticeship provider. This powerful organisation trains, develops and supports 1,000s of teachers, support staff and leadership teams across the region each year. Our future plans are found in our [Vision 2030](#), available on our website.

We are now recruiting to appoint an exceptional Assistant Head of College (Assistant Principal) at Snowfields Academy (Bearsted Campus).

Dee Pickerill

Principal
Snowfields Academy

Snowfields Academy

As Principal, I would like to thank you for your interest in Snowfields Academy. Having trained for and taught young people with Learning Difficulties and ASD for many years, I am proud and honoured to lead an exceptional specialist ASD provision.

Snowfields Academy is an 11-18 special school for students with a diagnosis of Autistic Spectrum Disorder (ASD) and an Education, Health and Care Plan with this as the primary need. Students will usually be working at, or close to, age expected attainment levels. We opened at Bearsted in September 2020 following approval by the Department for Education = in Wave 12 of the Free Schools programme.

Snowfields Academy offers the very best personalised approaches within an inspiring learning environment. Our students are taught and supported by exceptional staff who offer care, challenge and support. Every student has a personalised transition from their starting point into our Academy and we work closely with other providers to streamline this process and smooth out any challenges along the way. Snowfields Academy brings our values to life: Be Kind, Work Hard, Communicate, Stay Safe and Be Happy. These values permeate our building, our curriculum, our aims and our ethos and we work hard every day to ensure we bring our motto, Where Nurture Meets Aspiration, to life, and help our students to thrive.

In September 2022 we extended our offer into the Cranbrook area of Kent, 14 miles from our Bearsted campus. Snowfields Cranbrook College opened with Years 7, 8 and 9, just as Snowfields Bearsted College

opened in September 2020. When full with all year groups on both sites we will be able to offer places for 280 students from Years 7-13 in total. We will be opening our third campus at Minster in September 2025.

We are extremely fortunate to have existing exceptional buildings at both Bearsted and Cranbrook. On both sites we offer outstanding educational settings which both inspire young people and support their often complex needs. Careful consideration has been given to all aspects of the design at both sites to promote wellbeing and achievement. Although not identical, they both offer exceptional vocational learning opportunities with a community café at Bearsted and a working farm at Cranbrook. We have also provided a range of breakout spaces for movement breaks at both sites. This will extend to our Minster site, where again, whilst not identical, will be designed to provide an exceptional learning environment for our young people.

Our curriculum reflects the full range of pupil needs. Specialisms in horticulture, catering and land based studies, will enable young people to gain real-life experiences and qualifications leading to the very best employment opportunities. We are forging partnerships with local businesses to offer work experience to facilitate this, and so provide every student with the skills necessary to confidently transition from school onto their next steps.

We keep getting better – *using our ‘can-do’ attitude and research informed approach to continuous improvement and innovation.*

Snowfields Academy leads the way in offering support for young people’s wellbeing through a team of highly trained specialists who will work collaboratively with families and young people to meet a wide range of complex needs.

I welcome your interest in the Assistant Head of College (Assistant Principal) position at Snowfields Academy (based primarily at our Bearsted Campus). Following our rapid growth over the last four years, and our outstanding Ofsted outcome in June 2023, this is an ideal time to join our dynamic and aspirational leadership team, working together to achieve our future ambitions. Please do contact me if you would like any further information or would like to register your interest.
