Equal Opportunities Statement

In our school we are committed to securing genuine equality of opportunity, whether required by law or not, in all aspects of our activities as an employer and service provider.

This commitment is based on our belief in the broad principles of social justice and our aim is to provide services and employment on a fair and equitable basis.

Our staff are encouraged to demonstrate their commitment to equality by taking active steps to: eliminate discrimination, promote equality of opportunity and promote good race relations.

TOYNBEE SCHOOL

Maths Department

The main aim of the Maths department at Toynbee is to ensure that pupils achieve their best by instilling them with a love of Maths. We strive to develop our pupils' mathematical knowledge, their skills and their attitude so they can achieve their full potential.

The department comprises nine hard-working, loyal and enthusiastic members of staff. The departmental leadership structure consists of a Head of Department and two Assistant Heads of Department.

There are eight Maths classrooms and a departmental office.

Key Stage 3 – Year 7, 8 and 9

- Pupils are in soft settings by attainment groups comprising approximately 25-32 pupils per class.
- Year 7 and 8 pupils are taught across 7 x 1 hour lessons a fortnight.
- Year 9 pupils are taught across 8 x 1 hours lessons a fortnight
- There are currently Schemes of Work in place for all topics.

Key Stage 4 – Year 10 and 11

- Pupils are taught across 8 x 1 hour lessons a fortnight over the Key Stage.
- Pupils are taught in set attainment groups.
- GCSE Maths (AQA Exam Board) is currently offered to pupils in Key Stage 4.
- There are schemes of work and resources available for all topics.

Curriculum Development

The Department are currently focusing on:

- Ensuring our curriculum is robust, sequential and meaningful and linked to the National Curriculum.
- Encouraging Independent Learning ethic from the pupils, enabling them to take responsibility for their own learning
- Further refining the curriculum to promote even better progress.
- Developing strategies to secure even better outcomes for our most able pupils

Continued Professional Development

The school offers outstanding CPD opportunities. We work closely with the Local Authority and have many links with subject inspectors and local schools. We pride ourselves on an internal training programme which is second to none. All staff are able to contribute to this.

Assistant Head of Maths – Job Description

Grade: MPS/UPS + TLR 2a

Relationships: The teacher will be:

1. responsible to the Headteacher
2. responsible to the Head of Maths for all classroom activities
3. responsible to the Progress Director and Guidance Manager when fulfilling the role of tutor

Letter from the Headteacher

Dear Candidate,

I am delighted that you are considering applying to be an Assistant Head of Maths at Toynbee School. We are proud to be a holistic and inclusive school that promotes the highest expectations of our pupils. It is an exciting time in our development as a school and we are determined to further improve on our journey to become "outstanding". We are proud of our successful OFSTED inspections in 2015 and 2019, however, we are never complacent and know that there is always more we can do to improve Toynbee for pupils, staff and the wider community. Our pupils know that they are at the centre of all we do and as a result they play a significant role in shaping the school's improvement.

Toynbee is a friendly school with a strong reputation in the local neighbourhood for excellent results and delivering on its 'Personal Best ethos'. Our parents have described the school as "a gem in Chandler's Ford", and our pupils' aspirations and dreams for their future are the central focus of our work here. We believe that only through full participation in school life can our pupils become the most incredible person they can be. We want them to thrive and develop their potential through every opportunity offered to them, both within and beyond the classroom. Our pupils can enjoy exceptional teaching, with friendly and respectful support alongside some of the best extra-curricular provision the County has to offer.

Our academic curriculum is traditional and there is plenty of choice for all pupils' talents to be recognised. We pride ourselves on finding flexibility for individuals' needs and whilst this is provided for across the schools' academic and extra-curricular activities, it is especially evident in our Visually Impaired Resource Centre that supports VI pupils across Hampshire and beyond.

When pupils join Toynbee they are put into one of four houses and it is through our House System that pupils are given the chance to earn rewards, achievement points and enter inter-house competitions, which both reinforce and celebrate the gifts and talents of our pupils.

Alongside the impressive exam results our pupils achieve; we want them to grasp every opportunity to learn a new skill or participate in an event which stretches and enriches them. We believe that opportunities taken open doors and develop the whole person. None of this could be achieved without our excellent Guidance Support Team who enable our pupils to flourish and grow in confidence and ability during their time with us.

If you are ready for the next challenge in your career, and would like to be part of this dynamic, exciting journey, we look forward to receiving your application.

Yours sincerely,

Matthew Longden
Headteacher
