The Magna Carta School

The Magna Carta School is a high achieving school of 1250 students between 11 and 16 years old. We are proud of our history of success and our reputation in the local community. The school is well known as a place of excellence and we are very proud of our academic, sporting, artistic and community achievements. It serves as a fantastic testament to the efforts of students, staff, governors and parents, which has ensured we have maintained our Ofsted status as a 'Good' school, with many outstanding features.

We have a unique approach to learning, in that we believe that every young person and adult must develop a Growth Mindset, which we embed alongside our core values of Respect...Learn...Aspire...Achieve. Through this we believe that we can develop our mastery of knowledge, skills and behaviours through dedication and hard work- talent is only a starting point!

As a Founder member of The Unity Schools Trust and the 1215 Learning Partnership, we are determined to enhance lives for young people across this area of Surrey. This partnership of high achieving schools provides the opportunity to share best practice with a wide range of like-minded colleagues. The Trusts vision is to be an outstanding learning community where together we learn *to know, to do, to be and to live together*.
