

Clapton Girls' Academy

Est. 1906

Welcome to Clapton Girls' Academy!

Dear Candidate,

Thank you for considering joining us as **Assistant Head of Science – Key Stage 4 Lead**. We're delighted you're interested in becoming part of the CGA community.

CGA is a vibrant, ambitious school where every student is encouraged to aim high and every member of staff is supported to thrive. We're proud to share some of our recent achievements:

- Outstanding in all areas – Ofsted, May 2024
- Silver Secondary School of the Year award (Pearson) 2025
- Autism Inclusion Award (National Autism Society) July 2025

Our students are enthusiastic, curious, and a joy to teach. Our Science faculty is a dynamic, well-resourced team committed to inspiring young people to pursue careers in STEM. We work closely with leading organisations like The Crick Institute, The Royal Veterinary College, and The Royal Observatory, giving our students incredible opportunities to see science in action.

We believe in nurturing students and developing resilient, independent learners. At GCSE, 77% of students achieved grade 4 or above in two sciences, and our A Level results are consistently strong, including 100% achieving grade C or above in Physics last year.

Your Wellbeing Matters

We know that great teaching starts with happy, healthy staff. That's why we prioritise work-life balance and staff wellbeing. Here are just a few ways we support this:

- Flexible working options to help you balance your professional and personal life;
- A two-week October half-term to give you time to recharge;
- Regular opportunities for staff feedback – we listen and act on what matters to you;
- A comprehensive wellbeing programme.

As a member of our team, you'll benefit from excellent CPD, access to excellent professional development, and the chance to grow in a school that values collaboration, and creativity. We're proud to be an anti-racist school and are committed to building a staff team that reflects Hackney's rich diversity. If you're passionate about shaping the next generation of female leaders in science, we'd love to hear from you.

You can apply via our website: www.clapton.hackney.sch.uk/current-vacancies/teaching-vacancies

We look forward to welcoming you.

Kind regards,

Anna Feltham
Headteacher

Please note the closing date for applications for this post is Friday 6th February 2026 at 9am.
