Join Our Outstanding TelferTeam!

Are you an enthusiastic, professional, and motivated individual? We are looking for someone just like you to join our wonderful TelferTeam!

About the Role: We seek a candidate with a solid understanding of effective teaching and learning strategies, capable of planning and developing an engaging, challenging, and creative curriculum. You should have high expectations for all and embrace the importance of the extra opportunities Telferscot provides in areas such as the arts, sports, and citizenship.

As a senior leader, you will monitor and support staff to maintain high standards of teaching and learning and lead a core curriculum subject. You will interact professionally with colleagues, build productive relationships, and promote mutual understanding of developments in the school curriculum and management, aiming to improve the quality of teaching and learning. The ideal candidate should be confident in prioritising tasks, meeting deadlines, and being solution-driven.

About Telferscot: Telferscot is a popular school in Lambeth, located between Balham and Streatham, with a strong sense of community. We are an oversubscribed, two-form entry school with a nursery, recently rated Outstanding in our February 2025 inspection. Our school is warm, welcoming and inclusive, and we work hard to ensure all our children reach their full potential. We pride ourselves on being an active school that offers numerous opportunities beyond the National Curriculum for children to develop their own interests and skills.

Our Commitment to Diversity: We value the diversity in our community and are committed to having a workforce that reflects this. The successful candidate will have a strong interest in social inequalities and their impact on education, think creatively and innovatively, be eager to learn new skills, and be committed to anti-racist practices and meaningful change. We strongly encourage applicants from racial and ethnic minority groups and those with lived experience of social disadvantage or injustice to apply.

Safeguarding: Telferscot Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant's appointment will be subject to satisfactory clearance by the Disclosure and Barring Service.
