Ethos

Toot Hill School has a very clear and distinctive ethos. We believe that through continually reviewing and reflecting upon every aspect of our work we provide students with the very best educational opportunities.

Pastoral

At Toot Hill we pride ourselves on the quality of care, guidance and support given to individual pupils. At the core of this provision is a year system led by a Head of Year and supported by the Assistant Head of Year, Tutors, Student Welfare and Learning Support teams.

This system provides students with the care they need whilst allowing them to nurture friendships and develop a strong sense of community.

Tutors play an active role in ensuring that students are happy, well supported and fully engaged in school life and serve as the first point of contact between school and home. There are regular updates of pupils' progress through termly reports, online data, twice yearly parent consultation days and a Parents' Evening.

Students progress through Toot Hill School their attainment and well-being is closely monitored, ensuring that they are recognised and rewarded when they succeed but also supported when things are more challenging.

Toot Hill is a very caring community and the health, happiness and well-being of students underpins our overall ethos and philosophy.

Curriculum

Our curriculum goes far beyond the National Curriculum guidelines and Exam Board specifications and aims to provide a broad and balanced learning experience for all.

At Key Stage 3 our three-year programme covers all the National Curriculum subjects. Students are taught in ability groups in most subjects.

During our two-year Key Stage 4 programme, the majority of students study the English Baccalaureate core subjects of English, Mathematics, Science, a Modern Foreign language and a humanities subject such as Geography or History.

A wide range of option subjects including visual and performing arts, technology, sports and computing courses supplement the core curriculum. We expect all our students to achieve at least 8 passes at grades 4-9 including the English Baccalaureate subjects.

Toot Hill Sixth Form College offers a range of pathways for students to continue learning with us during Key Stage 5 (16 - 18 years). We pride ourselves on our A Level provision and promote the highest aspirations for all our students.

Welcome from the CEO

Dear Applicant,

Thank you for your interest in working at the heart of **Nova Education Trust**. I hope that you will find this pack useful and informative in helping you to find out more about our organisation and to complete your application.

Since 2011, Nova Education Trust has successfully supported schools of all phases to secure improved educational standards. Over the last few years, our organisation has undergone a significant transformation and is unrecognisable culturally, educationally, financially and in governance terms from the organisation it was pre-2021.

Educationally, we go from strength to strength. 94% of our academies are now judged by Ofsted as Good or Outstanding, compared to 47% that weren't when they joined us. Nova's KS2 SATs performance is strong whilst Progress 8 and 5+ EM across all of the schools is currently ranked as one of the highest in the region. We are highly valued and respected by the DfE, the Local Authorities and other local trusts. This is testament to our brilliant pupils, staff and the communities that we serve. Our trust support and governance is strong and has been externally recognised as amongst the best in the sector and our organisation is financially stable. We understand and we believe that schools belong to their communities — the mission is the same, but the vision may look different in our range of contexts and settings.

We are committed to our vision, values, ambitions and principles, and we are determined to achieve our mission of creating transformational schools. We are looking for a talented and inspirational leader who is committed to transforming the lives of our learners, with the imagination, passion and experience to support and challenge us to even greater things in the service of our young people.

Nova Education Trust is an organisation that trusts and empowers its staff. Front and centre to this is our commitment to well-being and engagement because we believe in enabling people to be at their best. We

are changing the way we support people to grow and develop, through 'coaching, not telling' — we now have over 150 professionally-trained coaches in the organisation and we have plans to train all middle and senior leaders. We think it's essential that colleagues can access excellent professional development and progression pathways which suit their individual needs. We pledge to lead the way with Diversity, Equity and Inclusion in our organisation. We will introduce new and innovative ways to increase the diversity of our workforce and continue to strive for an inclusive culture in which people have a voice and can contribute, feel a sense of belonging and are able to be themselves.

It is such a pleasure and privilege to lead such a talented group of staff who are forever looking for new and innovative ways to make us even better, each and every day. I am so proud of what we have achieved so far but I know that we can do even better, despite the challenging educational landscape that we find ourselves in. We have a highly skilled, experienced, dynamic and diverse board. They are so supportive yet professionally challenging and there is a great synergy and trust between the board and the executive team.

If you have got a sense of humour, drive, energy and enthusiasm to make us even better then we'd love to hear from you. This is a fantastic opportunity to join a values-driven trust at an exciting stage in our development.
