## Assistant Headteacher and Inclusion Manager required for September 2021

The Governors and Headteacher of this good school are looking to appoint an outstanding teacher with strong leadership skills to help drive the school forward on its journey of improvement. We are looking for an assistant Headteacher that is dynamic and highly motivated as we further develop our educational provision to raise aspirations and continue with a love of learning for all.

Higher Failsworth is a larger than average school with approximately 420 children (with 14 currently on EHC plans and approx 50 staff). It is a large building with many original features (it is 104 years old) which has been adapted so that space is used creatively. Higher Failsworth is within the borough of Oldham but it's location means it is ideally suited to candidates living in the Greater Manchester area, being very close to Manchester city centre, motorway networks (school is 5 minutes from M60), bus routes and a Metrolink station.

### We are looking for a strong, dynamic and inspirational senior leader who:

- has the vision and values and dedication to work with the Headteacher to ensure the school continues to develop and improve
- to strategically lead and manage inclusion across the school
- is able to take a strategic role in curriculum development
- is committed to serving our children, families and community
- is an excellent classroom practitioner who leads by example and who motivates, inspires and challenges staff and children
- will develop the learning culture of the school
- will support, challenge and empower staff
- will foster children's enjoyment of learning whilst ensuring high levels of achievement
- is approachable and able to build good relationships with children, staff, parents, governors and all other members of the school community.
- is able to calmly and confidently deputise for the Assistant Head teacher.

### We can offer:

- a Governing Board which is fully committed to ensuring the best for the whole school community
- support for your professional development
