

BELIEF IN EVERY CHILD

WELCOME TO BLACKDOWN EDUCATION PARTNERSHIP

Thank you for your interest in this post. Please take some time to have a look at this pack and gain a sense of who we are and what we stand for. All Multi-Academy Trusts are different and we are keen to explain why we believe that our values and ethos make us a great employer.

The Blackdown Education Partnership is a newly formed trust created by the merger of two founding trusts which shared some important similar values. Put simply, we believe that collaboration, partnership working and sharing our best ideas will enable us to deliver on our mission.

- To nurture and develop the ambition, talents and interests of every child
- To break down the barriers that inhibit the opportunities and achievements of disadvantaged students so that they can go on to lead lives of choice and opportunity
- To create a family of schools that are deeply and purposefully connected to their communities

All of our schools share this purpose and we work closely together to understand and deliver it.

We do not believe in creating schools which are replicas of each other. Our philosophy of aligned autonomy enables Headteachers to make effective decisions within the context of each individual school. We do not have a common curriculum but we do have a view on excellence and seek to harness the expertise of our subject leads to ensure that each school delivers schemes of learning that are rigorous, inspiring and rich in knowledge. Curriculum and other leaders across our schools meet regularly to network, share and moderate and the Trust operates a well-developed programme of peer-review to ensure that leaders are challenged, supported and have access to excellent professional development.

Our schools are all characterised by a strong ethos, ambitious culture and compassionate environment which together drive success. We are lucky enough to employ brilliant people who share our vision, many of whom have started careers with us and stayed to progress these careers. We want people to join us who believe that, whatever their role, they can make a difference to the life chances of students. We are totally committed therefore to helping all our staff thrive and fulfil their professional ambitions. A large number of colleagues are currently undertaking leadership development training which ranges from the full suite of NPQs to some more bespoke leadership programmes run through our outstanding network of partners.

We take staff wellbeing seriously and take active steps to reduce workload. We have a wellbeing offer which ranges from gym membership and support with personal fitness to talking therapies and reflexology.

We are always willing to consider flexible working requests and job-shares and pride ourselves on a family friendly approach across our schools. The best resource we can provide for students is highly skilled, happy and fulfilled staff.

We are looking for an individual who shares the same vision and values – if you believe that you have the skills, drive and vision to help us achieve our aims we would be delighted to receive your application.

LORRAINE HEATH, OBE
CHIEF EXECUTIVE OFFICER

HEADTEACHER: MR ROBERT CROCKER

WELCOME TO AXE VALLEY ACADEMY

Dear Applicant,

Thank you for your interest in this exciting and vital post.

Axe Valley is an ambitious school where a staff body of dedicated and motivated professionals continue to work hard to support its community. It is a school that we are immensely proud of because it is a real community. We are a completely comprehensive school offering high quality educational opportunities to students of all abilities and aptitudes. I am looking for a dedicated Assistant Headteacher who shares our commitment to ensuring that the young people we serve received the best possible standard of education because the progress of each individual student matters to us regardless of their starting points and despite their barriers. You will join a supportive, positive and committed team who share a vision of driving Axe Valley to be exceptional.

We are a school that staff and students are proud to be a part of and who enjoy working together. We aim to develop well rounded young people equipped to deliver positive social change in their school and wider communities. We believe that students need a broad education, one that nurtures specific positive character traits and virtues. We also pride ourselves on our pastoral care. Being a smaller school has some significant advantages and one of those is being able to know every student as an individual; to recognise and nurture their strengths; to teach kindness explicitly and to be as kind as we can.

Our beliefs as a school community are straightforward – teachers are here to teach and students are here to learn. There is no escaping that a huge part of the purpose of education is to equip children with the examination results that they need to give them as many options as possible. We must be in the business of opening doors for the young people in our care. We demand the highest possible standards and expect students to engage with their learning no matter what and we don't apologise for this. If this vision matches on your own, we would be delighted to hear from you.
