Academic Excellence

Focus directly on school improvement. We are aware of the exceptional practitioners we have in the schools across the Trust. Utilising an Implementation plan focus we will liberate colleagues to prioritise collaboration as a catalyst to sustainable improvement.

Professional Development

'Professional Improvement is school improvement'. Creating cultures across our family of schools in which professional development is central, will ensure that we are investing in the area that research tells us has the biggest impact on student progress.

Inclusive Education

Our family of schools are all committed to inclusive education that is ambitious for all. We are driven to remove all barriers for our children and ensure they have equity in access to all areas of our curriculums and wider school life.

Realising Aspirations

Committed to not only raising the aspirations of our students but importantly ensuring those aspirations are realised. Working in true partnership with our communities we will ensure our students are visionary thinkers, ambitious innovators and pioneers of the future.
