

**Learning Academy Partnership
Cornwall Hub Assistant Headteacher
Permanent – 1.0 FTE
Salary Scale – Leadership Scale L1 – L5
Required for September 2024 onwards**

The Learning Academy Partnership has an exciting opportunity for an Assistant Headteacher to join our school Trust. This is a brand-new role to support our regional hub model.

Our Trust serves a range of distinctive communities, and we are looking for an Assistant Headteacher to work across our Cornwall Hub in and around stunning region of Bude (St Mark's C of E Academy, Marhamchurch C of E Academy and Jacobstow Community Academy). All three schools are within a 30-minute drive from each other and under 45-minutes from Launceston.

We are immensely proud of our School Trust family and everything we do is underpinned by our mission and beliefs. We want to ensure that all children, families, communities, and colleagues can flourish because they have been part of our Trust. Our Academies take a collective responsibility for all children in our School Trust, and we do this by working together as a single organisation.

We are seeking someone who will drive our mission and beliefs so that every child has the right to live life to the full. Our School Trust is committed to improving educational outcomes for the most disadvantaged children and challenging social mobility barriers in the South West. If feel inspired by an organisation that works collectively for the benefit of all children... we could be the Trust for you!

Each of our Academies has its own clear vision and strong values which drive the curriculum offer and provides a range of experiences and opportunities, so our children's horizons are not limited. The Trust is a Church School Trust, so you must be committed to upholding the Christian distinctiveness of the schools and developing its Christian character through the educational offer.

We are proud that our people strategy enables us to nurture, develop and support our colleagues so that they can provide the very best for our children. We encourage applications from people from all backgrounds and aim to have a workforce that represents the wider communities that we serve. We champion diversity, inclusion and wellbeing and aim to create a workplace where everyone feels valued and a sense of belonging.

We want to support you in deciding if we are a School Trust that you would like to join. We strongly recommend that you arrange a visit to the school (virtual visits are possible) so that you can better understand if we are an organisation which excites you and can support you to flourish.
