Our vision is for Queen Elizabeth's to be an exceptional school which enables our young people to flourish in life and make a positive difference to their community. We will achieve this by providing an excellent education that develops knowledge, character, contribution, and wisdom.

At Queen Elizabeth's we champion the characteristics we know our young people need to lead a successful and fulfilled life. Ambition, a sense of community and kindness are essential for human flourishing and are at the core of what we do as a school.

Ambition: we work hard to be the best we can be so that we flourish in life.

Community: we take part in opportunities to make a positive difference to ourselves, each other and our wider community. We honour being together and are proud to be part of our school.

Kindness: we act with kindness so that others feel respected, valued and cared for.

Letter from the Headteacher

**Floreat Schola
Kyrtonensis**

Dear Applicant,

Thank you for your interest in this post at Queen Elizabeth's School. The school currently has 1100 students on roll of whom 100 are in the Sixth Form. The majority of our students are drawn from our partner primary schools across mid Devon and the greater Exeter area.

Founded in the 16th century, our school is set in the market town of Crediton, just 7 miles from Exeter. We are an ambitious school dedicated to providing an excellent education that aims to develop knowledge, character, contribution and wisdom. Our Year 7 and 8 students are taught on our Lower School site and Years 9-13 at our Upper School site on Western Road.

At Queen Elizabeth's our coaching programme supports all colleagues to continuously improve their classroom and leadership practice. We were delighted to be judged as Good in the most recent Ofsted report in May 2022, which recognised our high-quality curriculum and continued improvement in achieving positive outcomes for all students. Through high quality teaching and a broad range of extra-curricular activities we aim to ensure our students and staff live out our values of ambition, community and kindness.

Our pillars of staff culture support all of our interactions as a school. This means committing to being better every day, putting the team before the individual and demonstrating kindness.

By actively committing to these values and behaviours, staff will contribute to creating a school culture where everyone flourishes.

This recruitment pack outlines the key duties and accountabilities of the post.

The successful applicant will:

- have a clear, well communicated understanding of the most effective teaching and learning techniques that lead to strong student progress.
- possess the skills and determination to make a positive difference to the lives of our students.
- be relentless in encouraging all students to build their knowledge and actively contribute to school life within our community so that they develop a sense of pride and belonging.

Yours sincerely

Paula Smith – Headteacher

A Warm Welcome from our CEO

An ambitious and inclusive Trust of schools strengthening our communities through excellent education.

Moira Marder, OBE

On behalf of the Ted Wragg Trust, I would like to thank you for your interest in working for our Trust. This is an excellent opportunity to join our Trust and work in one of our 17 schools.

In our **ambitious** and **inclusive** Trust of schools we know that every individual is critical to help us to achieve our collective mission to **transform lives, strengthen communities** and **make the world a better place**.

Our values driven, growing 2-18 Trust, has the highest expectations for every child, every day, with social justice at our core. In this pack you will find out more about how we **support, develop** and **grow great people**.

This is a hugely exciting time for our Trust as we continue to grow, embed, improve and innovate to **improve the life chances of all children** in the South West.

We demonstrate our love through our values

How we will succeed

Queen Elizabeth's School

Maths Department

Assistant Headteacher, Head of Maths is a key leadership position in the school and a full member of the school's Senior Leadership Team.

This is indicative of the importance we place on Maths here at QE. It is a large team of both full and part time staff, who teach across all Key Stages and across both campuses. There are two TLR post-holders responsible for KS3 and KS4/5. The department is well resourced and is a professional and supportive environment in which to work.

We expect to appoint a leader who shows evidence of commitment, enthusiasm and ability to communicate with and excite students; someone who is a good team member who can contribute positively to the Maths Team and the wider school community.

As a department, the idea that some students 'just can't do maths' is rejected. The team encourage the belief that through hard work all students can improve their understanding and be successful. They support our students to develop their understanding of mathematical concepts and procedural fluency in unison, believing that both are required to be successful in mathematics.

In Maths, we follow the White Rose curriculum at KS3/4. This provides a foundation for many of our lessons and supports planning and assessment throughout the year. Our staff are further supported with on-going CPD via a personal coach who will visit lessons and offer suggestions designed to incrementally improve our classroom practice. We believe that a collaborative and consistent approach to teaching is the best way to achieve excellent outcomes for our students whatever their starting points.

Our students sit Edexcel (1MA1) at the end of KS4 and AQA (7357/7367) at the end of KS5. Our recent maths results have been very strong and reflect the wider improvements in results across the school.

The Ted Wragg Institute

We want to ensure that our people feel **invested** and **fulfilled in their role** by providing personalised, relevant and engaging professional development. Our brand-new **Ted Wragg Institute (TWI)** delivers our **high-quality development** offer for all, across our family of schools.

Our incredible offer includes Trust CDP, Leadership Development, Networks, Cohort-specific training and NPQs. Take a look at our offer this year here.

Early Career Teachers

If you are an Early Career Teacher you will benefit from our tailored Early Career Framework combining weekly instructional coaching, asynchronous independent learning, online 'clinics' and in-person conferences. With a dedicated mentor or coach and access to supportive networks the ECTs in our Trust are supported and developed to reach their full potential.

Our professional development delivery model

Our professional development delivery is underpinned by our Education key concept (see page 8). We believe that professional development should build knowledge, motivate, develop techniques and embed practice.

At the Ted Wragg Trust, we are research informed and believe that it is important that everyone involved in sharing ideas understands the underlying rationale and evidence base. We ensure that professional development is:

Sustained
Frequency is critical, not time span

Practice-Based
Create new habits

Domain-Specific
Create new habits

External Expertise
Challenge the familiar & refresh ideas

Professional Buy-In
Purpose & benefits eclipse volunteering

We believe this slightly adapted model from 'Teaching Walkthrus 2', Tom Sherrington and Oliver Caviglioli is applicable to all professional development and will underpin the delivery of all our professional development networks, seminars and webinars.

Our Ted Wragg Standard

Our Ted Wragg Standard provides a **minimum set of high standards** across all our schools to establish clear structures, implement effective processes and hold each other to account to enable excellence. It is based on our three key concepts: Leadership, Education and Every Child Succeeds.

Key Concept: Leadership

We believe that great leadership:

Fiercely
educates

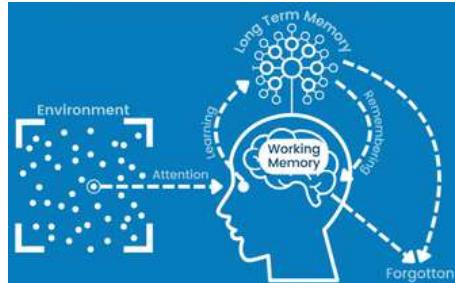

Thrives in a
complex system

Is locally
enabled

Key Concept: Education

We have a clearly defined and articulated learning model that is understood by all teaching staff. This model of the learning process uses the concepts of Working Memory and Long-Term Memory. It draws on ideas from Cognitive Load Theory and the work of Daniel Willingham.

Key Concept: Every Child Succeeds

We believe individual development is well explained using Maslow; that an individual grows in an ecosystem and can be interpreted using Bronfenbrenner's work, and that we are interdependent.

We believe that to enable our children to live a life of opportunity, we need to understand what true inclusion means. To us, our model is based on Maslow's hierarchy of needs and the Bronfenbrenner's ecology of inclusive education.
