## Brompton Hall School

Brompton Hall School is a special school, nestled in the heart of North Yorkshire, on the outskirts of Scarborough in the village of Brompton-by-Sawdon. It is currently an all-boys school, for key stage 3 and 4 pupils, with a small key stage 2 provision. All boys have an Educational Health & Care Plan.

It is an exciting period of change for the school. It has recently been agreed to remove residential (boarding) provision at Brompton Hall School from 1 September 2024, with no new residential placements made from September 2023. It will change from single sex (boys) to co-educational provision from 1 September 2023. The number of day places at Brompton Hall School will rise from 67 up to 85 from 1 September 2023.

Once the residential provision has been removed, Brompton Hall School will follow a standard school day with extended day provision. Pupils typically travel to the school by taxis from the surrounding areas.

The school is based in a fabulous historic building (Grade 2 listed), in pleasant grounds and has a museum on site!

In June 2021, Ofsted judged the school as inadequate. In September 2021, Venn Academy Trust were approached by North Yorkshire Council to support the school to help bring strong leadership and educational change to the establishment. The staff are committed to the improvements needed to make the school successful.

The aims of the school continue to be focussed on meeting pupils' needs. Brompton Hall aims to provide a positive environment where pupils can flourish, be respectful to others and develop their ability to regulate and express their emotions. A safe place where children feel they belong and become confident individuals. An aspirational learning experience where children are supported to reach their full potential.

The school is maintained by North Yorkshire County Council, however it is anticipated it will become a sponsored academy as part of Venn from February 2023. In the interim period North Yorkshire County Council and Venn are working closely to ensure the best possible provision for pupils.
