Assistant Headteacher: Quality of Education

L9-13

Meadowbrook College provides full and part-time education and support to over 100 aged 5-16 students who are finding it difficult to access their mainstream schools. We offer our students another chance and provide a high quality, safe learning environment in which to develop positive behaviours and skills which can be used to improve their life chances. Our hope for our students is that they will re-engage with learning, be successful and achieve their goals. Our aim is for every one of our students to move on to college, school, an apprenticeship or employment.

What we are looking for:

We are looking for an Assistant Headteacher, to lead on quality of education across the college. Working with a team of raising standards leads, you will lead on innovations in teaching and learning and secure a culture of high levels of engagement and progress for all students. This post will suit an individual who has a passion for high quality inclusive teaching and learning, and has experience of working in a leadership capacity within an educational setting. Working with the Headteacher, the successful applicant will have a direct impact on realising the vision of the academy. You must be capable of providing inspirational leadership, be creative, an outstanding classroom practitioner and have an innovative and flexible approach to finding solutions which will enable young people to be safe, respectful and ready to learn on a daily basis. You will be committed to the highest achievement for all and be a resourceful and enthusiastic member of the senior team. You will have a trauma informed approach to managing a child's provision; be a restorative practitioner; and use nurture principles to inform your, and others', daily practice.

Why work at Meadowbrook College?

- Meadowbrook College staff are both professional and resilient. There is a "can do" attitude that makes a real difference to the lives of our students; many of whom have become disengaged with education and lost the confidence to achieve their full potential
- We offer a variety of opportunities for ongoing professional development for all staff
- We are working in an ever-changing and expanding educational climate where the need for alternative provision solutions is ever-increasing. We are responding to this demand in a variety of exciting ways and there are many future opportunities for career progression at all levels.

Please complete an application form and return to chughes@meadowbrookcollege.org by 12pm on Monday 8th January 2024. Interviews will take place week commencing Monday 22nd January 2024.
