Dear Applicant,

Thank you for your interest in the post of **Assistant Headteacher at St Gregory's Catholic Primary School.**

St Gregory's holds a special place in my heart — not only as its current Headteacher, but as a former pupil. This school has shaped my life and it is a privilege to now lead it. Our mission, *“Working and learning together with Jesus as one family,”* is more than words — it defines how we live, learn and grow as a community. We are proud to be a place where every child is known, every family is valued and every member of staff plays a vital role in helping our pupils flourish.

This new leadership post has been created at an important and exciting time in our journey. With our school bucking all of the national trends for falling roll, we are investing in our leadership capacity to ensure that we can continue to offer exemplary care, support and provision for every child and family. The successful candidate will play a strategic role in safeguarding, attendance and family engagement — core areas that sit at the heart of who we are and what we stand for.

St Gregory's is a wonderful place to work. We offer a warm, supportive and inclusive working environment where staff are empowered to grow, collaborate and lead. We have built strong and trusting partnerships with local schools and wider networks, creating exciting opportunities for shared practice and professional development. If you are passionate about improving life chances, committed to high standards, and eager to make a lasting difference, I warmly encourage you to apply.

I would also be delighted to welcome you for a visit. Please come and meet our children, see our school in action and experience the atmosphere that makes St Gregory's so special.

Best wishes,

Mr Craig Ross

Headteacher
