To complement our excellent academic offer, we ensure that our pupils have access to restaurant standard high quality food in our school canteen. We are seeking to appoint an Assistant Kitchen Manager to help support the Kitchen Manager in the day to day preparation and provision of a high quality food service to all the Academy schools. Chulmleigh College

About Our School

Chulmleigh College is a successful and ambitious rural secondary school with a strong reputation for high standards. The progress of our pupils is consistently amongst the best in the region. In 2024 our Progress 8 Figure of +0.86 placed us in the top 5% of schools nationally.

The College was totally rebuilt a few years ago, with the completed buildings opening in 2017. Numbers have grown substantially in recent years, from 500 to the current roll of 750, and most year groups are oversubscribed; due to both our excellent reputation and the College's successful transport service, which brings in approximately 25% of our pupils from outside the school catchment area.

We aim to create ambition and inspiration and want our young people to achieve all that they can in a safe, caring and well-disciplined environment. We commit ourselves to providing a learning experience which ensures high challenge, inspires, and provides both the range of qualifications and the start in life which will last forever. We aim for our young people to have the foundation and independence they need to make the progress they are capable of, building resilience for their future lives.

As a school we value courtesy, hard work and respect, and set high standards of behaviour; promoting self-discipline, resilience, responsibility and working together as a community.

We offer a broad and rich curriculum, enhanced by excellent extra-curricular activities; our outdoor education in the form of Ten Tors and Duke of Edinburgh is particularly strong. As well as having high academic achievement, we also have a proud record in sport, music, drama and art.

Our pupils read an astonishing amount of literature and develop themselves by making the most of the array of opportunities available. This is all possible because teaching and support staff create the best opportunities for our pupils. We are very proud of our team, who work hard to make our school a happy place where we learn together in a formal, warm environment. We are also proud of the excellent relationships we have with our pupils, families and friends within the community.

Chulmleigh is a Saxon hilltop market town in North Devon, near the Mid Devon border. It lies near the banks of the Little River Dart, and is surrounded by rolling hills, woods and farmland. With Exmoor and the North Devon coast to its north, and Dartmoor and the city of Exeter to its south, Chulmleigh is in a beautiful part of the county and is easily accessible from all other areas.

Our Values

Compassion

Compassion is caring about others, behaving towards them with humanity, generosity, and concern, and caring about other people's struggles. It is a skill which has benefits; treating others with compassion means they are likely to treat you, and others, back in kind.

We recognise the uniqueness of each circumstance and every child in the Trust, liaising closely with families and work to show appropriate compassion for our pupils and community.

Ambition

We work hard to help pupils develop a strong sense of ambition: the appetite for challenge and the determination to look beyond the horizon for inspiration. Whilst we recognise that children have different talents and abilities, we nevertheless expect each pupil to work hard and make significant and tangible progress. Our ultimate aim is to help them to achieve the best results possible, providing a wide range of options for their next stage in life.

Teamwork

Teamwork is an essential communication and social skill and includes compromise, collective effort, active listening, effective speaking and providing support for a group. We encourage our pupils to learn how to listen and be independent, in order to perform their individual roles and function as a cohesive unit, and how to respectfully and confidently express their ideas and opinions effectively in a group setting.

Our shared goal is to ensure that pupils leave us not only with excellent exam results, but also with confidence, resilience and the ability to make their mark as young people heading out into the world.
