CLF Introduction

On behalf of the Board of the Cabot Learning Federation (CLF), we thank you for your interest in the exciting role of Assistant Principal (Maternity Cover).

The CLF is a mature schools trust, now in its 16th year, which is home to 35 academies operating across a range of phases and specialisms, and grouped in five clusters in Gloucestershire, South Gloucestershire, Bristol, North Somerset and Somerset.

CLF CORE PURPOSE

- H** Maintain **High expectations** in all we do, ambitious for ourselves, our communities, and our environment.
- E** Create **Equity** of opportunity, promoting inclusion, removing disadvantage and rejecting discrimination.
- A** Champion the success and life chances of **All children**.
- R** Furnish pupils and staff with the **Resilience** to succeed as lifelong learners.
- T** Harness our **Togetherness** to achieve more, collaborating proactively in seamless unity.

In the CLF we often refer to three tenets that underpin our work:

- Our Mission, to consistently deliver excellent educational experiences for pupils aged 2-19, improving their life chances and serving the communities of which we are a member;
- Our Core Purpose, as enshrined in our HEART Values as shown above.
- Our Vision, which is that improvements in children’s learning can be realised more quickly and with greater sustainability through proactive collaboration.

At the CLF, we are committed to providing the very best opportunities and educational experiences for every young person we educate.

Those who join us become part of a team of 3,000 colleagues, who work together to help deliver on the ambitions expressed in our Strategy 2030, Equity Through Education.

You will also be unlocking a door to a rich and rewarding career within a trust which has a proud and proven track record of growing leaders and creating opportunities for career development at all levels.

The strong sense of moral purpose that is our hallmark has helped to create an environment within which all leaders take a collective responsibility for the learning and success of every pupil in our care.

We promote a culture in which openness to peer and external scrutiny and an active willingness to share and promote the very best practice are key factors in the improvement of our schools. Furthermore, we are committed to supporting and learning from the wider education community, and to fully contribute to system leadership to benefit our broader communities.

We are looking for an Assistant Principal who shares the values, ambitions and commitments outlined above, and who has the expertise, experience and appetite to take our trust into the next chapter of its compelling story. We very much hope the opportunities and challenges facing the CLF will excite you, as they do us, and we hope that, after having read the contents of this pack, you will feel inspired to take your interest further, arrange a visit to see our work for yourself, and submit an application for this exciting role.

Structure of the Cabot Learning Federation

LEADERSHIP IN THE CLF

Our leadership team brings together both the educational and business-related activities of the Federation. At both the Senior Leadership Forum, and other networking events, there is a continuous focus towards delivering outstanding student and business-related outcomes in line with the overall strategy. A key strength

of the CLF is the breadth of competence and experience of leaders within the organisation who can positively challenge and collaborate with colleagues.

The following chart confirms the organisation structure of the executive team within the Cabot Learning Federation.

Governance Structure

The graphic below describes the structure of our governance model. Risk Management is at the centre of our governance, if we are outstanding at anticipating and mitigating risk, then the CLF will be outstanding and sustainable in the years ahead. We are demanding of ourselves and understand the responsibilities we have to the wider community to ensure that our systems and processes are robust and able to demonstrate to external scrutiny that we are responsible and accountable.

In a multi-academy trust, the board is the governing body and the sponsors have the majority of places on the board. Each Academy has an Academy council, with a number of key responsibilities delegated to it from the main board. The audit and scrutiny groups 'own' a number of the key operational and organisational risks; the finance, people development, estates and ICT are smaller working groups that feed information to and from the other groups.

Our Mission, Vision and Values

OUR MISSION

Our mission is to consistently deliver excellent educational experiences for pupils aged 2–19, improving their life chances and serving the communities of which we are a member.

OUR VISION

We believe that by working together rather than in isolation, we can accelerate school improvement, embed excellence in our academies, and deliver our mission.

The hallmarks of our vision are:

- A collaborative culture
- A deep-rooted moral purpose
- A shared commitment to all of our pupils across all of our settings.

OUR VALUES

Our values are at the HEART of what we do. They are expressed in the form of our Core Purpose.

CLF CORE PURPOSE

Maintain **High expectations** in all we do, ambitious for ourselves, our communities, and our environment.

Create **Equity** of opportunity, promoting inclusion, removing disadvantage and rejecting discrimination.

Champion the success and life chances of **All children**.

Furnish pupils and staff with the **Resilience** to succeed as lifelong learners.

Harness our **Togetherness** to achieve more, collaborating proactively in seamless unity.

Our Strategy 2030: Equity through Education

CORE PURPOSE

Equity Through Education is underpinned by three core strategies central to all trust activity. They guide decisions around development and improvement, while adhering to our commitment to create equity of opportunity, promote inclusion, remove disadvantage and reject discrimination.

INVESTING IN CLF PEOPLE

- Sector-leading support, learning and professional development.
- A welcoming, diverse and inclusive environment.
- Resilient, empowered teams, with leaders at all levels.
- Meaningful commitment to wellbeing and career progression.
- High standards and ambitions for learners and their families.

INVESTING IN CLF PARTNERSHIPS

- Deep and collaborative connections throughout our communities.
- Clear understanding of community issues and opportunities, and enthusiasm to engage.
- Strong relationships with learners, parents, carers, volunteers and alumni.
- Contribute to the educational and social landscape – locally, regionally and nationally.
- Partner with other civic agencies to be a force for good in our local area.

THROUGH THE LENS OF DISADVANTAGE

- Strategic emphasis on delivering excellence for disadvantaged learners even over other groups.
- Benchmarking our impact through the lens of disadvantaged learners.
- Developing best practice among CLF People to deliver for disadvantaged learners.
- Working in tandem with others via CLF Partnerships to support our most disadvantaged families.

Cabot Learning Federation

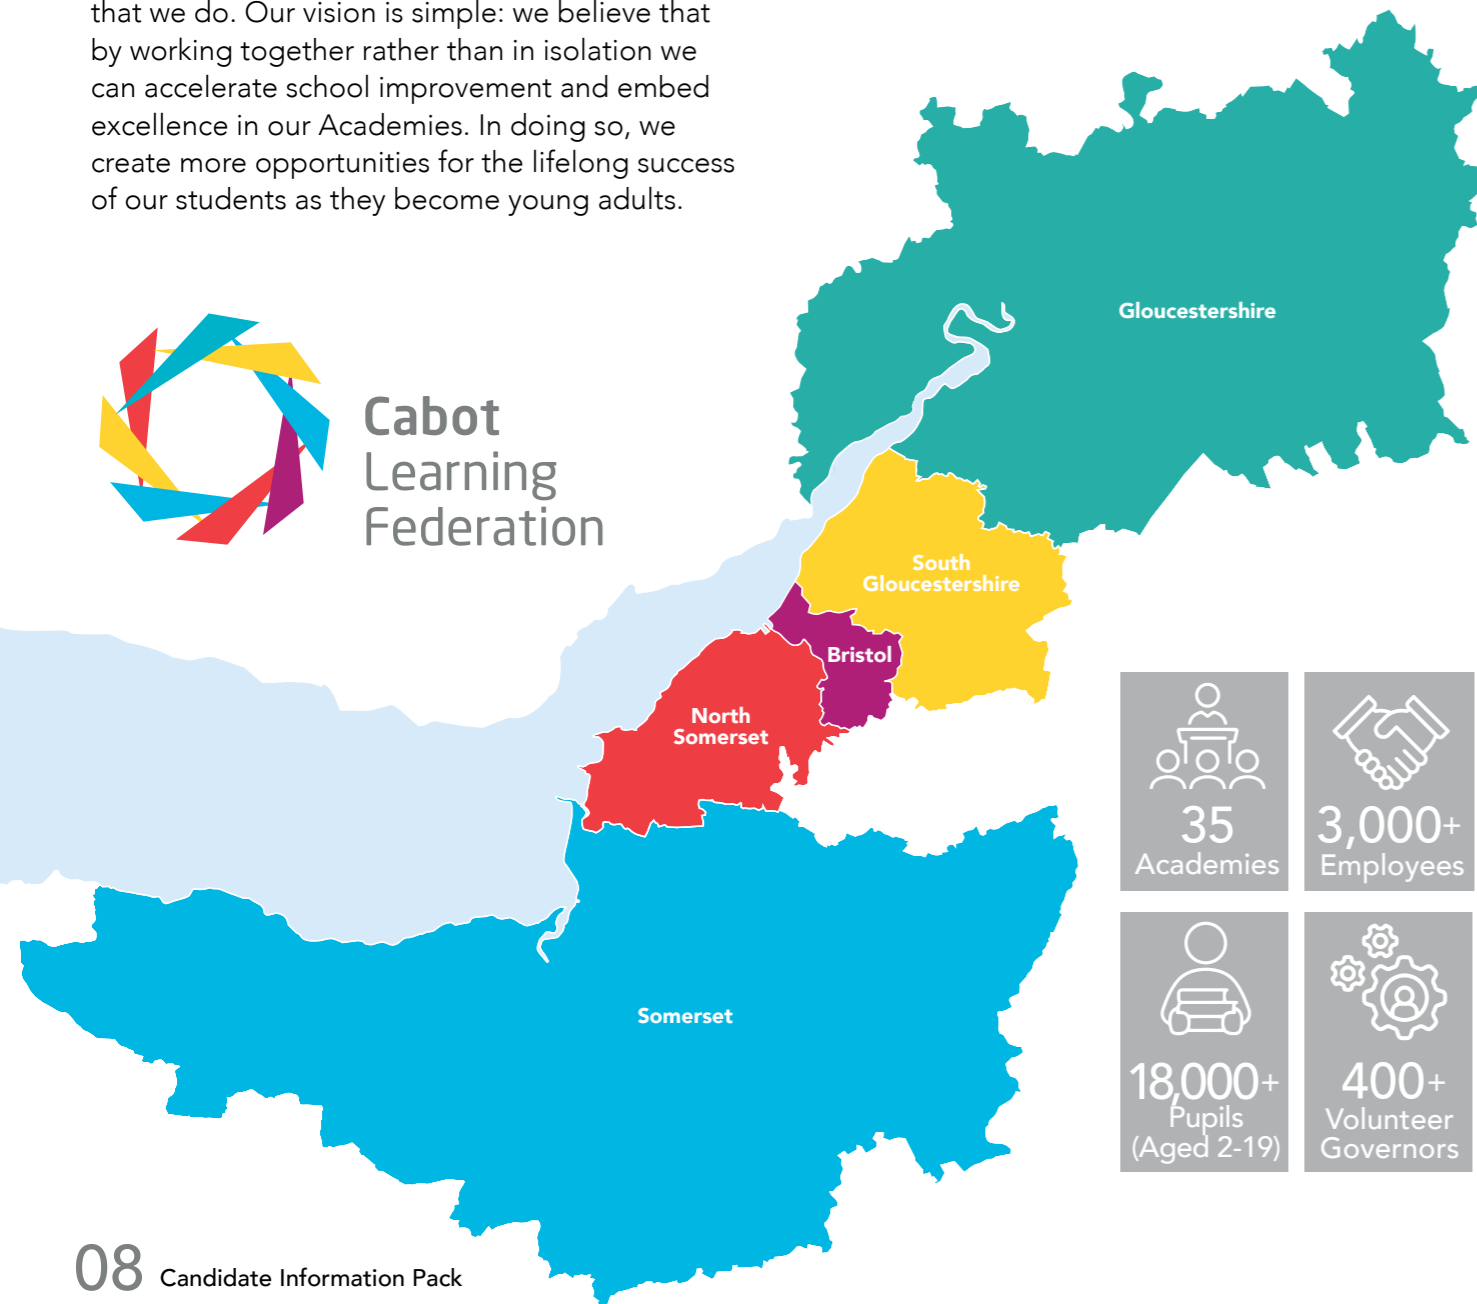

BACKGROUND

The journey that has seen the development of the Cabot Learning Federation (CLF) began in September 2007 when John Cabot Academy (JCA) and Bristol Brunel Academy (BBA) were opened on the same day. In September 2009, we were joined by Bristol Metropolitan Academy (BMA) and the CLF was formed, jointly sponsored by Rolls Royce PLC and the University of the West of England.

The core purpose of the CLF is at the HEART of all that we do. Our vision is simple: we believe that by working together rather than in isolation we can accelerate school improvement and embed excellence in our Academies. In doing so, we create more opportunities for the lifelong success of our students as they become young adults.

The fundamental mission of the CLF is that its work will enable Equity through Education by 2030. In uncertain times, it is through the ubiquitous culture of excellence and the highest standards in all aspects of its work that the CLF will be best placed to respond to the needs of its stakeholders throughout the period up to 2030 and beyond.

Since 2009 the Federation has grown steadily and now incorporates the following provisions:

Institute

CLF Institute

The CLF Institute is the centre for training and professional development for our trust.

The Institute is home to the CLF SCITT - our School Centred Initial Teacher Training partnership, the Boolean Maths Hub, and the Five Counties Teaching School Hubs Alliance. The CLF School Improvement team is based in the Institute, providing support to academies within the trust and externally to other schools.

The CLF was designated as a Teaching School in 2011. As such, the CLF Institute was responsible for providing teacher training, high-quality continuing professional and leadership development and school improvement support. We were accredited by the Department for Education (DfE) to deliver the National Professional Qualifications (NPQs) in education leadership. We developed our school improvement capacity through designating and deploying Specialist Leaders in Education. These subject experts have gone on to lead our CLF curriculum curation and trust subject networks.

The CLF SCITT has trained 500 teachers since becoming an accredited provider in 2016, many of whom have gone on to work in CLF academies. We offer Primary and Secondary training across a range of subject specialisms. Our trainees are supported by qualified teachers and leaders in school experience placements within and beyond our trust.

We recently become the only school-based teacher training provider in the region to be rated 'outstanding' by Ofsted, after inspectors heaped praise upon the quality of the provision and the leadership team at its helm.

Five Counties Teaching School Hubs Alliance

In 2021, Teaching School Hubs replaced Teaching Schools, and we formed a collaboration to serve Bristol, South Gloucestershire, Bath and North-East Somerset, North Somerset and Somerset – through the Five Counties Alliance. Under this banner, we deliver the DfE's career-spanning 'golden thread' teacher professional development programmes: Initial Teacher Training (ITT); the Early Career Framework (ECF) for Early Career Teachers (ECTs) and their mentors; the suite of National Professional Qualifications (NPQs) for specialist through to senior leaders; and bespoke Continuous Professional Development (CPD).

MATHSHUBS
BOOLEAN

The Boolean Maths Hub is one of 40 National Maths Hubs funded by the DfE and coordinated by the National Centre for Excellence in Teaching Maths (NCETM), established to improve the teaching and leadership of maths at all levels. The Boolean Maths Hub serves the same region as the Five Counties Alliance, supporting over 700 schools.

People are at the heart of our organisation, as captured in our strategy, and this underpins our commitment and approach to professional development for all staff and volunteers working in the trust. We believe investment in training, learning and developing our practice is a key lever to continuing school improvement and fundamental to staff satisfaction, wellbeing and enhancement.

Academy Overview

MEET THE PRINCIPAL

Thank you for showing an interest in the recently advertised position of Assistant Principal (Maternity Cover) at Begbrook Primary Academy.

The intake at Begbrook reflects the local community and is socially and economically diverse, with a rich and inclusive ethos and culture across the school. Begbrook is part of the Cabot Learning Federation (CLF) and has benefitted from being part of a medium-sized, mature MAT with access to excellent professional services and working in collaboration with a group of experienced leaders across the trust.

The academy has been recognised for its strong approach to behaviour and, as part of the CLF, supports other schools to develop effective approaches through it's work with the national Behaviour Hubs programme.

The position of Assistant Principal includes setting strategic direction and delivery of our Academy Improvement Plan. The post holder will have strategic responsibility for the areas of curriculum development and attendance at the academy. There is a very strong culture of learning throughout the school, and we are looking to appoint a strong and highly motivated Assistant Principal with outstanding teaching skills, excellent communication, vision, imagination, energy, resilience and a commitment to collaboration.

The team you would be leading is dedicated, forward-thinking and heavily invested in supporting excellent curriculum enactment. Teachers are hard-working, energetic and enthusiastic. This results in an atmosphere and culture within our school of which we are incredibly proud and which visitors always comment on.

As part of the application process, we encourage visits to the school. We hope you find the enclosed information helpful. I look forward to hearing from you should you wish to apply.

Vicky Counsell
Principal

ABOUT THE ACADEMY

At Begbrook Primary Academy, we aspire to support all children to be able to achieve exceptionally well, whatever their starting points and contexts, and to be fully prepared to meet the challenges of their next phase of schooling.

The approaches we implement are evidence-based and research-informed. For example, we use a metacognitive approach that enables children to develop their learning behaviours to be successful. This supports our children to work hard and to expend individual effort and practice in all areas of the curriculum.

We are very proud of our knowledge-rich curriculum. We enact the curriculum through the use of States of Being. This allows children to become deeply immersed in individual subject areas while they are Being Historians, Being Scientists, Being Artists, etc.

We have well-established oracy expectations which support the delivery of our curriculum, and, in turn, further supports our oracy. An overarching aim of our curriculum is that children experience joy-filled learning. Children in our school are buzzing with excitement to share the things they have learnt.

Outcomes at Begbrook are broadly in line with national averages at all Key Stages, despite our children experiencing lower-than-average starting points. We share a collective belief that all children can succeed, so we use a targeted approach to ensure all children achieve to their potential.

Begbrook Primary Academy is situated in Stapleton, on the outskirts of Bristol. Our school

population is culturally, socially and economically diverse. We are a highly-inclusive school, and we recognise the many different barriers to learning that exist. We believe in equity over equality; giving individual children what they need rather than all receiving the same.

We are incredibly lucky to be situated on the edge of Snuff Mills, a beautiful and historic section of the Frome Valley walkway that is rich in nature. Our school is set within extensive grounds, comprising a large school field, conservation area, meadow, orchard, four playground spaces, including trim trails, and a multi-use games area.

We make use of our amazing outside space as much as possible. Begbrook is a vibrant learning community with wonderful children, engaged parents and a committed and creative staff team. This is an incredibly exciting opportunity to become part of the Senior Leadership Team leading the academy.
