Leigh Academies Trust

# Welcome

Leigh Academies Trust (LAT) is one of the largest and most successful school groups in England. Starting in 2008 in Dartford, the Trust is now responsible for 33 academies of all types, educating over 24,000 pupils, employing almost 4,000 talented staff and with access to an annual income of over £200m. Our Ofsted track record is impressive. Currently, 16 of our academies are considered to be “Outstanding” which is nearly 53% of those which have been inspected whilst part of the Trust.

LAT has remained local with all of its academies located in the South East (Kent, Medway, Bexley and Greenwich), within a one hour drive across the South Thames Corridor. This helps us to share resources and expertise much more easily and offer abundant training and progression opportunities to staff. We invest heavily in our workforce and enjoy strong retention across all job roles. The Trust has embedded various advantages which mean that LAT is an excellent place to develop a career in education. This includes being a highly inclusive employer which celebrates the diversity of its workforce.

Our scale and experience means we have been able to develop several well-chosen approaches to running schools which we know work well. These include:

- A small school approach to education where larger academies are organised into colleges. This ensures high quality pastoral

care for pupils.

- A world class digital strategy where all staff and pupils have their own device making teaching, learning and operations efficient and highly impactful.
- Disruption free learning and a “warm strict” approach to behaviour management so that teachers can teach and pupils can learn.
- An all-through International Baccalaureate curriculum equivalent in quality to some of the best fee-paying schools and grammar schools in the UK and further afield.

In addition, The Leigh Institute - which is part of LAT - is responsible for Kent and Medway Training, one of the region’s biggest initial teacher training organisations, a large teaching school hub called Thames Gateway and an accredited apprenticeship provider. This powerful organisation trains, develops and supports 1,000s of teachers, support staff and leadership teams across the region each year. Our future plans are found in our [Vision 2030](#), available on our website.

We are now recruiting for an exceptional Assistant Principal - SENCO/Inclusion to join The Hundred of Hoo Academy (Secondary Phase).

The Hundred of Hoo Academy

## The Hundred of Hoo Academy

I, as the secondary Principal, am delighted to welcome you to The Hundred of Hoo all-through Academy, a place where we combine good manners and etiquette with 21st Century innovation and creativity to ensure our pupils are more than just educated, they become globally minded citizens who will be empowered to change their own lives and the lives of those around them. At The Hundred of Hoo Academy we have a strong belief that all Pupils deserve a world class education, which we strive to offer as their local community school. We want our students to leave our school as well-rounded, lifelong learners and global citizens that are ready to make the world a better place.

The Hundred of Hoo Academy is an IB World school, authorised to deliver both the Primary Year Programme (PYP) and Middle Years Programme (MYP) and we approach learning, teaching and living in the spirit of the International Baccalaureate, appreciating that academic learning is very important but not the only measure of success. We provide a curriculum that challenges pupils to solve problems, show creativity and resourcefulness, but also to act with integrity and participate actively in our community. At The Hundred of Hoo Academy we have high expectations of our pupils, hence we are a well disciplined academy, where pupils thrive in a culture defined by mutual respect and good behaviour. Lessons are disruption free. Pupils should all wear the correct uniform and be fully equipped for learning, they should have excellent attendance and arrive on time. We believe passionately that education transforms lives, that there is no ceiling to achievement and we are extremely proud of the academic progress that our pupils make.

We pride ourselves on our digital offer to our pupils and in being at the forefront of digital development within our curriculum offer. All of our pupils have access to their very own Chromebook which enables them to take ownership over their own learning and means that they are able to challenge themselves further. The Chromebooks are an integral part of our teaching and learning at the academy meaning that we are shaping the future for our children in the digital age. This also means that our staff have access to a wealth of digital training opportunities and will gain certification in Google as well as in many other digital tools.

In March 2024, Ofsted recognized the high quality of education at the academy. While not formally graded, the evidence suggested an 'Outstanding' rating. The academy's next inspection will, therefore, be a full, graded inspection.

We are looking for a passionate senior leader with drive and boundless enthusiasm to join our highly effective senior leadership team and support the academy in its journey to secure outstanding provision for its pupils. It is essential that they have a positive outlook, are supportive of others and openly share excellent practice, modelling this consistently to the rest of the staff. They should embrace a forward thinking approach to further raising standards in teaching, frequent coaching feedback and live modelling in lessons, ensuring that our pupils have access to highly effective learning experiences, developing their acquisition of knowledge and skills and enabling all to be life-long learners. We look forward to welcoming you as members of our academy family.
