

Ibstock Community College

Respect and Pride brings Success

ASSISTANT PRINCIPAL

Student Progress & Assessment

Leadership scale – 9-13

Commencing Autumn Term 2021

Ibstock Community College is seeking to appoint an Assistant Principal who can help us further develop our use of assessment in a way that will ensure all our students can achieve their full potential and make a very real difference to their lives.

As Assistant Principal you will be an excellent teacher with the ability, experience and potential to lead on the important areas of student progress and assessment, ensuring that learning and progress at Ibstock Community College continues to improve and that students gain outstanding outcomes as we develop into an 11-16 school with Key Stage 4 assessment and examinations.

Ibstock Community College has 570 students on roll and is at the heart of the local community, serving families in Ibstock and the surrounding villages of North-West Leicestershire. We are at an exciting stage in our development with plans to expand from a Key Stage 3 (11-14) school to welcoming students from 11-16 from autumn 2022. We also anticipate exciting future developments and opportunities when we join LiFE Multi Academy Trust later this academic year.

This is a new role and a genuine opportunity to contribute to an ambitious, collaborative and creative senior leadership team; to shape and influence the future direction of the college; to innovate and lead change in this successful college that is committed to high expectations and success for all; and to work with a supportive, caring and dedicated team of staff.

As students, staff, parents and governors we share the following values and beliefs:-

Resilience

Equity

Success

Pride

Encouragement

Curriculum

Trust

We are fully committed to safeguarding and promoting the welfare of children. An enhanced DBS disclosure is required for this post.

Closing date for applications: 10.00 am on Monday 12 April 2021

Interview date: Tuesday 20 April 2021
