Every role at TLA supports and contributes to the day-to-day experience and ultimate happiness and success of our students. This is not only a huge privilege for those of us who choose to work in education, but also a great responsibility.

Teaching and learning is at the heart of everything we do at The Littlehampton Academy. We believe that learning takes place both inside and outside the classroom and we will always go "the extra mile" to allow our students to be successful.

As a member of the TLA team, you will have constant opportunities to develop and grow professionally and personally, enabling you to achieve your very best both in your time with us and in future roles, wherever they take you.

Introduction to the Woodard Academies Trust

The Woodard Academies Trust is a collaboration of six schools across England working together to meet ambitious goals for students and staff and to deliver the vision:

- Opening minds: igniting a curiosity about the world, nurturing spiritual and cultural growth and developing a love of learning for life.
- Raising expectations of everyone in the Trust - staff, pupils and governors, of the standards we can reach and the outcomes we can achieve, irrespective of background.
- Transforming lives: a successful education will transform the lives of young people into adulthood so they have rewarding careers, strong relationships, and make positive contributions to their community and society.

The Trust has an impressive heritage as part of the Woodard family of schools, founded by Nathaniel Woodard in 1848 with the aim of providing an education based on Christian values. The Trust's main focus is school improvement, drawing on the skills and expertise across the Trust to ensure every school is at least 'good' and all pupils achieve well.

The accredited careers programme supports pupils' high aspirations. Sixth-form students receive valuable support and guidance on apprenticeships, employment and university.

Relationships between pupils and teachers are strong and based on mutual respect. The school aims to provide a caring and diverse educational environment where all pupils are known and nurtured. The school's chapel provides a haven for staff and pupils where everyone is welcome, everyone is included and everyone is respected. Pupils speak highly of the support for their welfare and well-being.

The values of 'Respect, Explore, Aspire and Persevere' are emphasised across the school.
