

Associate Assistant Headteacher - Science

Full-time Permanent

To start in January 2025

Salary L7 - L11

We are seeking to appoint an inspirational and enthusiastic leader to join our school at a crucial stage of its development. This post will attract those candidates seeking to make a real, positive change to student outcomes and shape the structure and direction of Science at the school.

This is a critical appointment, and it represents an excellent career development opportunity for a candidate with existing leadership experience seeking whole school responsibilities and to further their career into senior leadership. The core purpose of the role is to provide effective leadership and to be accountable for the learning and achievement of all students following programmes of study in Science at key stage 3,4 & 5. The successful candidate will also agree specific whole school responsibilities with the Headteacher in order to aid their professional development as a senior leader.

We aim to recruit staff who:

- Are excited by their role and by the prospect of challenging young people to achieve their very best
- Love the processes of teaching and learning and are keen to continually develop their own skills;
- Recognise that teaching can be a demanding job and react positively to those demands;
- Will subscribe to the ethos of the College and be committed to get the very best from our students;
- Take every opportunity, in and out of the classroom, to talk to students, model expected behaviours and build positive relationships with all
- Are quick to praise and slow to criticise
- Are not afraid to admit to seeing themselves as potential whole school leaders of the future.

As the core purpose of this role involves substantive subject leadership, we have a particular interest in recruiting an existing leader or outstanding teacher who can demonstrate significant leadership potential, who:

- Can inspire and motivate a talented team;
- Is able to juggle the demands of leadership with a teaching timetable;
- Can build on the rapid improvements made in the faculty over the past three years.

If you would like to know more about this vacancy, or about the school itself, please don't hesitate to get in touch. We would love to give you a tour, or to put you in touch with the acting faculty leader who will be more than happy to give you a call to discuss the role. Email Diane

Orton d.orton@lutterworthcollege.com for more information, or to submit your application.

You can find out more information through the recruitment pack here: [Associate Assistant Headteacher \(Science\) Recruitment Pack](#)

or on our website here: <http://www.lutterworthcollege.com/Vacancies/Teaching-Staff/>

The closing date for all applications is midnight Friday 25th October. Interviews will take place shortly afterwards.

NB: We reserve the right to close and interview early if sufficient suitable applications have been received.

Lutterworth College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All appointments will be subject to receipt of a satisfactory Enhanced DBS check, pre-employment checks, including evidence of your right to work in the UK, online checks and a satisfactory Health Check. References will be requested for all shortlisted applicants before interview.
