Royal Greenwich
Trust School

Royal Greenwich Trust School, part of the University Schools Trust, is an 11-18 comprehensive school in the heart of the community we serve.

In 2017, RGTS was established with an initial cohort of year 7 students and a sixth form provision. In September 2020, we opened our £14 million new wing and our inaugural cohort sat their GCSE exams in the summer of 2022.

An exciting opportunity has arisen for the right candidate to play a really significant role in shaping the future of our vibrant learning community as we begin the next chapter of the RGTS story.

This post is perfect for a candidate who aspires to lead their own school in the future and, as a key member of our senior leadership team, you will have the opportunity to work alongside a highly experienced Headteacher and Trust Executive team.

University Schools Trust (UST) is a unique partnership of six world-leading universities and four sector-leading bodies who are working together to deliver a shared vision of inclusive, high-quality and transformational education.

Working on the RGTS senior leadership team guarantees the opportunity to:

- Be an integral part of driving the school forward in its next stages of growth and development
- Strategically lead on key areas of the school's improvement plan
- Develop links with our wider UST network for CPD and in securing collaborative practice

We want to hear from you if you place relationships at the heart of your work and are an outstanding practitioner who is:

- **Ready** to take on the challenges of being a key figurehead within our diverse learning community
- **Galvanised** and motivated to make a positive and direct difference across all areas within your agreed portfolio
- **Talented** and experienced in whole school leadership, having served on at least one senior team
- **Skilled** in leading others and in building and sustaining high performing teams
- **Unrelenting** in their pursuit of excellence in all aspects of your practice
- **Successful** in working with young people and securing the best outcomes for them
- **Team spirited** and prepared to go above and beyond to get the job done.
