Hours: Full-Time / Permanent

Don Valley Academy are looking to appoint an Associate Lead Teacher of Geography to join our academy in September 2023.

In the role of Associate Lead Teacher for Geography, you will provide pedagogic leadership supporting other Lead Teachers as an outstanding classroom practitioner. You will play a key part in raising standards through the modelling of your own outstanding teaching and supporting the professional development of your colleagues. Your ultimate aim is to improve the learning experience and increase the outcomes of students, whatever their ability.

Don Valley Academy is proud to be rated Ofsted GOOD (April 2019) for the first time in its history! This has been achieved by having dedicated and enthusiastic staff who are committed to giving our community an extraordinary educational experience.

We are a vibrant Academy with over 1000 students on roll. We benefit from a new building which opened in November 2016 enabling our students and staff to use state of the art facilities. We serve a significantly deprived community with 42% of students being pupil premium and 38% being in the bottom 10% for deprivation. Despite these challenges, you will find Don Valley students to be polite and engaged with learning.

As a community we embrace all opportunities and strive to support and challenge each other. We have a comprehensive professional development calendar which is tailored specifically to meet the current needs. Staff enjoy the leadership opportunities found within our 'DEEPs' model and are able to gain experiences of roles across the Academy from Aspiring Leaders to Associate Assistant Principals.

Collaboration is at the heart of the Academy for both students and staff and you will find Don Valley Academy to be positive and reflective towards their own professionalism, with wellbeing as a pivotal aspect of our Academy ethos.
