To ensure all our students are treated as individuals and are able to flourish and excel, Lawnswood School aims to:

- engage with members of our community to support opportunities of learning, experience and social skills; and

EXCELLENCE IN TEACHING AND LEARNING

Students at Lawnswood School are encouraged to be independent learners. Our broad and balanced curriculum ensures students are equipped with the knowledge and skills to ensure a successful future. Staff at Lawnswood are passionate about their teaching and work hard to deliver high quality, interesting and engaging lessons.

Putting the learner at the centre of the learning process places a real emphasis on developing individual students' capability to acquire the skills, knowledge and attributes needed to be successful during their time at Lawnswood and as they leave to pursue their future career.

We deliver a wide range of subjects that allow students to excel in their specialist areas and prepare them with the knowledge and skills for a rapidly changing workplace. When students arrive in Year 7 they spend the first four weeks working on a cross-curricular project in teams. During this time, we take every opportunity to assess and evaluate their individual learning needs.

This includes undertaking Cognitive Ability Tests, reading tests and gathering teacher feedback. Our baseline data, in conjunction with information from primary schools, is used to ensure that the students are placed in the correct classes, given appropriate targets and provided with additional stretch, challenge and support where needed.

At Key Stage 4 and 5, students are afforded more choice in their learning and our information, advice and guidance ensures they are supported in choosing a curriculum which both suits them as individuals and will open doors in the future. We report regularly to parents on their child's learning and encourage a continuing dialogue between school and home. In addition to parent consultation evenings we ensure there are frequent parent information evenings to support students and parents in their educational journey. Lawnswood has high expectations for all students and, whatever their individual gifts, interests and talents, they will be challenged, supported and above all inspired.

"The curriculum is ambitious and well sequenced. Pupils build their knowledge and understanding with increasing depth and complexity. They learn to think and work like subject specialists."

OUR FACILITIES

The school is set in spacious and attractive grounds that support a wide range of outdoor learning. This is in addition to our traditional classrooms, smaller group rooms and individual spaces.

A well-resourced library in addition to specialist facilities in science, PE, drama, technology and music enable our students to excel in all areas of the curriculum.

To ensure we prepare our students for a changing modern-day world of work, we have extensive ICT facilities, designed to accommodate different lesson formats and our curriculum.

We are always conscious of the need to improve our facilities in order to provide the best possible experience for our students. With this in mind, we have recently redesigned our catering facilities to provide relaxed and safe social spaces.

"I love that there are lots of opportunities available at Lawnswood School."
