About the School

A Welcome from the Headteacher

Dear Applicant

Thank you for your interest in this exciting role. The post offers the opportunity to make a real difference to the lives and aspirations of the students in our care.

At Jack Hunt School, we have a strong ethos centered on the belief that every student has the right to a first-class education, and we consistently promote high expectations for all our students. We want all our learners to leave JHS well educated; of good character; and ready for ambitious next steps. Our core values are:

- Hard Work
- Integrity
- Kindness

Jack Hunt School is a vibrant place of learning, underpinned by expert teaching of a challenging and broad curriculum. We provide high levels of pastoral care and support via our fantastic Year system, as well as a comprehensive PSHE programme. We believe that for students to thrive, they need to be happy, safe and receive high levels of support.

We think that enrichment opportunities are important for all students, and our offer in this area is extensive. We believe in high standards of behaviour and conduct, and our school is a happy and calm place to learn where positive relationships flourish. We are a diverse and inclusive school, and we are committed to comprehensive education.

Academic success is very important to us, and we have a strong track record. Our students achieve well and many progress into our successful and flourishing Sixth Form. Our students have strong destinations after leaving Jack Hunt School. However, academic success is only part of our purpose. We also provide excellence in music, drama, sport, and the arts and we value all practical and creative pursuits. We also develop the qualities that are important in any young person such as self-reliance, courtesy, respect, initiative, and determination.

We are an outward facing school. We are proud to belong to Keys Academies Trust, and this gives us the opportunity to collaborate with other schools. We also work with an extensive network of education providers, businesses, and charities within Peterborough and beyond. These networks allow us to offer our students a rich blend of opportunities.

If you think that this post at Jack Hunt School could be for you, we would love to receive your application.

Yours sincerely,

Jon Hebblethwaite,
Headteacher

About the Trust

Our trust is a vibrant, diverse, and ambitious group of five academies in west Peterborough. Formed in 2018, we are a relatively young trust, which emerged from a strong, but loose, alliance of primary schools working with our large Jack Hunt secondary school. Dr Ian Young joined the trust as its first full-time CEO in September 2022 and has led work to create the Strategic Plan 2023-26.

Our schools serve communities which have many similarities but also significant differences, due to the cultural and economic diversity of the city. We celebrate these differences and ensure that each school retains a distinct identity within the trust.

Working together as a multi-academy trust has allowed us to use the expertise across our 5 schools to meet our common goals to give our pupils and students an inclusive, innovative learning community that respects and benefits everyone and has aspirational plans for the future. Our vision is to unlock the potential and create strong life chances for all the children we educate.

Our iLearn Project is an important pillar in our educational provision both in the classroom and at home. Through the supply of personal iPads to staff and to children in years 6,10,11,12 and 13, we can leverage the significant enhancement to teaching and learning afforded by technology.

To ensure the transition from Primary to Secondary school we are proud of our Year 7 'My World' curriculum. This has been carefully planned to support the best outcomes for students and encourage independent and reflective learners, through the development of exhibition standard project work.

The Trust's Young Explorers programme replicates the Duke of Edinburgh scheme for all Year 5 pupils across the Trust and forms part of the Year 5 curriculum. Our rich offer for all the children in our Trust also includes a wide range of sporting activities and undertaking sports leadership courses; University visits in both Key Stage 2 and Key Stage 5; day trips, educational visits and residential; theatre groups in school and educational visits to theatre productions; and a wide of competitions where pupils and students can showcase their talents.

All in our trust have high aspirations for, and high expectations of, every single pupil and student. We want them to be well-rounded, confident, caring young people with leadership skills who are motivated to achieve their best in lessons and beyond the classroom. We want them to be involved in the school, local and global community and leave us as life-long learners, equipped to build on their success and contribute positively to our future.

The Board of Trustees of Keys Academies Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
